WFI is an Australian Financial Services Licensee (AFSL No. 227681) authorised to issue, vary and cancel general insurance products and provide general financial product advice in relation to general insurance.

The Rural Plan consists of 16 different policies You can choose from, covering a wide range of risks.

This approach gives You great flexibility as You can arrange Your insurance to meet Your particular needs.

It also means that if Your circumstances change and You need more extensive insurance, it is easy for You to add another of the policies to Your Plan.

Insurance against liability for workers' compensation is compulsory for employers throughout Australia. Apart from the Domestic workers policy (which We only offer in Western Australia), this Plan does not insure Your liability for workers' compensation, nor does it include insurance cover for a range of other risks You might want to insure or protect Yourself against.

You need to determine whether this is the case and make sure You are appropriately protected.

Any advice We or Our representatives provide is general advice only and does not take into account Your personal objectives, financial circumstances or needs. Before You decide to acquire any of the policies,

You should carefully consider the appropriateness of the policies having regard to Your objectives, financial situation and needs.

Understanding the significant features and benefits

To properly understand the significant features and benefits of each of the policies, You need to:

- read the:
 - Important information (pages 4 to 10)
 - General conditions (pages 11 and 12)
 - General exclusions (pages 13 and 14)
 - General definitions (pages 15 to 18)which apply to all policies (Note: the General exclusions do not apply to the Domestic workers (WA only) policy. See the Domestic workers (WA only) policy for details about the exclusions applicable to it); and
- read the policy wording – it tells You:
 - what the policy insures
 - what the policy does not insure
 - what We pay for a claim
 - any additional benefits We provide
 - any optional benefits We offer
 - any special conditions We apply
 - any special meanings We apply to words used in that policy.

There is an index on the front of each of the policies for easy reference.

Our words

To make sure You can readily understand Your rights and obligations, We have written this Plan in plain English. For easy reference, We have capitalised the first letter of each word which We define in Our 'General definitions' (which apply to all policies), and in Our 'Special definitions' found at the end of each policy (which apply only to words used in that particular policy). Where a word is defined in both the 'General definitions' and in the 'Special definitions', the 'Special definitions' meaning will take precedence for that policy only.

Words capitalised in headings do not have definitions

All of the other words in this Plan have the meanings set out in the Macquarie Dictionary (current edition) so that You can easily find out what they mean.

A reference to the singular includes the plural and vice versa, unless the context otherwise requires.

Applying for insurance cover

You must apply to Us for insurance cover and meet Our relevant eligibility criteria before cover will be provided. It is also important You understand how We manage Your personal information which We tell You about in Our 'Privacy of Your information' section on page 9.

Where We have agreed to issue You with insurance, We will:

- identify the policies You want and matters particular to them (e.g. the property You want to cover, the limits You may want for certain covers, any excesses that may apply and any variations required to the standard terms).

We pay up to the sum insured or other limits specified in relation to the policies and their covers. It is important that You make sure these amounts suit Your needs. If You do not do this some of Your loss might not be insured.

- identify the Period of Insurance during which Your policies will operate.
- inform You what policies We are able to offer You and the total premium You need to pay for Your policies (see 'The cost of Your insurance' on this page).

The above details are recorded in the Certificate of Insurance We issue to You. You need to read it carefully to ensure You are happy with the cover provided and check that the details are correct. You should keep the Certificate of Insurance and the policy documents in a safe place.

The agreement between You and Us

We only provide You with insurance under those policies for which We issue You with a Certificate of Insurance and only for the Period of Insurance shown on the Certificate of Insurance. The insurance provided under any of Our policies is also subject to Our General conditions and General exclusions (except for the Domestic workers (WA only) policy - see that policy for information about the exclusions applicable to it), together with provisions shown on the Certificate of Insurance issued to You.

We understand that in some circumstances You may not be able to meet Your responsibilities for reasons that are beyond Your control. For example, if You are seriously injured and You cannot provide Us with information to help Us process Your claim. You may also experience personal circumstances which could impact a claim under this Plan. For example, mental health conditions, or the conduct of others such as acts of violence or intimidation. If this happens, You or any other insured should speak to Us about Your situation so We can consider how best We can help.

Subject to what We tell You on page 6 about excesses, if a provision shown on the Certificate of Insurance is inconsistent with a provision contained in the policy to which it relates then, to the extent of the inconsistency, the provision shown on the Certificate of Insurance prevails.

The cost of Your insurance

We determine the base premium by considering a number of criteria.

When You apply for insurance cover We ask You to provide information about Your personal risk situation relevant to each policy, such as:

- the type of property being insured and its size, construction, use and where it is located; and
- the type(s) and amount(s) of cover You require, excess levels and the period for which You want the cover (where this is optional); and
- Your relevant claims and insurance experience.

Factors that increase the risk to Us generally increase the premium (e.g. higher sums insured or a high claims experience) and those that lower the risk generally reduce the premium (e.g. lower sums insured, higher excesses or low claims experience). If You have any queries about this You can ask Us when You apply for cover.

Your premium, including any discounts You may be eligible for, are subject to minimum and maximum premiums. We consider the minimum and maximum amounts We are prepared to sell the policy for and may adjust Your premium to ensure it does not fall outside that range. Any discounts will be applied to Your policy, only to the extent any minimum premium is not reached. This means that any discount You may be eligible for may be reduced. When We determine Your premium on renewal, We may also limit any increases or decreases in Your premium by considering factors such as Your previous year's premium amount.

Your premium also includes amounts that take into account Our obligation (actual or in some cases estimated) to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to Your policy(ies). We show the amounts on the Certificate of Insurance.

Where We are required to pay an estimated amount (e.g. for a Fire Services Levy) based on criteria set by the government, We allocate to the policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular year but We will not adjust Your premium because of this. You can obtain further information on Our website www.wfi.com.au.

You can pay the premium annually or by instalment each month, quarter or half-year in advance. When You apply for insurance We tell You how and when the premium needs to be paid. It is a term of Your policy that You pay the premium to Us by the times required by Us.

The following examples are only a guide as to how an excess or excesses might be calculated in any particular set of circumstances. The amount(s) of the excess(es) in the examples are for ease of calculation. Read the policies and Your Certificate of Insurance for the amount(s) of the excess(es) in Your circumstance.

Example of a one event excess

An insured event happens that damages Your home, furniture and carpets insured under Your Classic home policy and the digital camera specified as insured under Your Personal valuables policy. The Certificate of Insurance shows an excess for that event of:

- \$250 on Your Classic home policy
- \$75 on Your Personal valuables policy

You claim for all damage. You are only required to pay one excess of \$250 because that excess is the highest one of all the policies and all of the damage arose out of the one event.

Example of when more than one excess will apply

Under the Motor vehicle policy, You are required to pay more than one excess in the circumstances mentioned in the policy. We refer You to page 90 of this Plan where We tell You more about the different excesses that apply.

The driver of Your comprehensively insured car is 20 years of age and is involved in an at fault Accident which causes damage to Your car. The Certificate of Insurance for Your Motor vehicle policy covering the car shows an excess of \$400 and an excess of \$700 for young drivers 19-20 years of age. You are therefore required to pay an excess of \$1,100, being the excess of \$400 plus the excess of \$700 as the person driving, operating or in charge of the car was 19-20 years of age.

Sometimes We introduce or increase an existing excess on renewal of any of the policies. This might be done on an individual person's policies or those covering risks at certain locations or over all locations. We generally do this because of rising claim numbers and costs and to minimise any increase in premium that would otherwise be required to cover those rising claim numbers and costs.

Excess (Your contribution)

An excess is the amount which You will be required to contribute to any claim on a policy. The amount We must pay under any of the policies is reduced by the amount of the excess. You will only be required to pay an excess if it is mentioned in the policy You have taken out or shown on the Certificate of Insurance.

Where the amount of an excess selected or imposed on the Certificate of Insurance is higher than the amount of excess mentioned in the policy for that same event, You will be required to pay that higher excess specified on the Certificate of Insurance.

Except in the case of Our Motor vehicle policy, You will only be required to pay one excess on claims You make under a number of the policies in this Plan that arise out of the one event, being the highest one payable under the policies.

Utmost good faith

The law requires each of us to act towards the other with utmost good faith (fairly, openly and honestly) in the performance of the policy and in the making and handling of claims under the policy.

Jurisdiction

The policies in this Plan are governed by and will be construed in accordance with the laws of Australia and the parties agree to submit to the jurisdiction of the courts of Australia.

Goods and Services Tax (GST)

The amount of premium payable by You for the policies includes an amount on account of the GST on the premium.

All amounts insured by the policies are in accordance with the advice You have given to Us regarding Your GST status and the GST status of items to be insured. We will not be liable to pay any GST, or any fine, penalty or charge that You are liable for arising out of Your misrepresentation of, or failure to disclose, Your proper input tax credit entitlement on the premium relating to the policies. In respect of Your policies with Us where You are registered for GST purposes, You should calculate Your proposed sums insured with reference to the GST status of each item of property to be insured.

Depending on the GST status of each item of property to be insured, the sums insured may or may not include a GST component. An amount for GST should only be included in the sum insured if the item of property to be insured is not used 100% for business use. All items of property used 100% for business use and for which You are or would be entitled to a full input tax credit should be insured on a GST exclusive basis.

This outline of the effect of the GST on Your policies is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to Your particular circumstances.

How GST affects claim payments

Where We insure Your property

If We arrange to replace, repair or reinstate an item which is the subject of a claim, We will pay the cost to replace, reinstate or repair the item inclusive of GST. However, We will not replace, reinstate or repair an item where the cost (inclusive of GST) to Us to do so will exceed the amount of the relevant sum insured or other limit of insurance cover in the policies that apply to the item.

If We settle Your claim by making a payment to You, or on Your behalf, Your GST status and the GST status of the property which is the subject of the claim, will determine the amount We pay. When You are:

- not registered for GST, the amount We pay is inclusive of any relevant GST component.

The maximum amount We pay is the sum insured or other limit of insurance cover inclusive of any relevant GST component.

- registered for GST and the property which is the subject of the claim is used 100% for business use and is property for which You are or would be entitled to a full input tax credit, the amount We pay is exclusive of any relevant GST component, including, but not limited to, any input tax credit to which You are entitled for any acquisition which is relevant to Your claim, or to which You would have been entitled were You to have made a relevant acquisition.

The maximum amount We pay is the sum insured or other limit of insurance cover exclusive of any relevant GST component.

- registered for GST and the property which is the subject of the claim is used 100% for personal use, the amount We pay is inclusive of any relevant GST component.

The maximum amount We pay is the sum insured or other limit of insurance cover inclusive of any relevant GST component.

- registered for GST and the property which is the subject of the claim is used for business and personal use, the amount We pay is inclusive of any relevant GST component with reference to the percentage of personal use and exclusive of any relevant GST component with reference to the percentage of business use of the item that is the subject of the claim.

The maximum amount We pay is the sum insured or other limit of insurance cover inclusive or exclusive of GST as the case may be.

You must advise us of Your correct entitlement to an input tax credit on Your premium and the correct entitlement to an input tax credit on each item of property to be insured. Should the item of property which is the subject of the claim be used for both personal and business use, any amounts We pay will be determined in accordance with the percentage of personal and business use.

Any GST liability arising from Your incorrect advice is payable by You.

Where We insure Your liability to third parties

We pay up to the limit of indemnity shown on the Certificate of Insurance inclusive of GST.

Dishonest claims

If You make a dishonest claim, We can refuse to pay it. We may also cancel the policy.

Keep up to date records of insured property

To help Us to process any claim You may have, you should take reasonable steps to keep a record or evidence of ownership, value and detailed description of any insured property in a safe place. We also recommend You keep Your valuations up to date. This includes contracts of sale, valuations, receipts, credit card and bank statements, instruction manuals or photographs. Failure to take reasonable steps to keep a record or evidence of ownership, value and detailed description of all Livestock and Farm Property may result in a reduction or denial of Your claim.

Changing the terms of any of Your policies

You may ask Us to change a term of any of Your policies. If We agree, We will confirm the change in writing.

Your cooling-off right

If You wish to reconsider Your decision to insure with Us, please contact Us to discuss Your concern. If You decide not to proceed, You may cancel Your policies by notifying Us in writing within 30 days of You receiving the Certificate of Insurance that You wish to do this. If You do this and You have not made a claim and nothing has happened which would entitle You to make a claim, We will refund the premium You paid to Us.

You still have cancellation rights after this cooling-off period ends and these rights are set out below in 'When You can cancel'.

When You can cancel

You can cancel a policy at any time by writing to Us requesting cancellation. If You cancel, other than under 'Your cooling-off right', We refund the premium less an amount which covers the period for which You were insured, reasonable administrative costs relating to the issue and cancellation of the policy and any government taxes or duties We cannot recover.

If You pay Your premium by instalment, We will deduct any unpaid instalments up to the date of cancellation. We will not deduct any further instalments due after the date of cancellation.

However, if You have made a claim or are entitled to make one under the policy:

- there is no return of premium for any unused portion; and
- We may deduct from any claim payment premium already refunded to You; and
- if the policy is paid by instalments, all the remaining instalments for the Period of Insurance are payable as if the policy had not been cancelled.

There shall be no refund of premium for any cancellation or reduction in sum insured for hay insured under the Farm property damage policy.

We do not refund the premium if the Certificate of Insurance specifically says there is no refund of premium.

When We can cancel

We may cancel a policy as allowed by the *Insurance Contracts Act 1984 (Cth)*. We give You a notice in writing.

If We cancel and You paid an annual premium, We will refund the premium less an amount to cover the period for which You were insured.

If We cancel and You pay Your premium by instalments, We will deduct any unpaid instalments up to the date of cancellation. We will not deduct any further instalments due after the date of cancellation.

Instalment policies

Premium payment

You can pay Your premium in monthly, quarterly or half-yearly instalments. You can pay by direct debit from an account or credit card that You nominate.

If Your policy is paid by instalments, You authorise us to deduct amounts by direct debit from the account or credit card You have nominated to pay instalments. This includes deduction of any unpaid instalments and remaining instalments in the circumstances specified in this PDS. You must ensure that You have the authority to use the nominated account or credit card and it is Your responsibility to ensure that sufficient funds are in the nominated account or credit card to meet each instalment.

Consequences of an unpaid instalment

You need to pay your annual premium or any instalments by the due date specified on your Certificate of Insurance. An instalment is unpaid if it cannot be deducted from Your nominated account or credit card.

If Your instalment is overdue, We will send You a notice outlining the overdue amount and when it needs to be paid. If Your instalment remains unpaid after the time period specified in the notice, We will:

- i. cancel Your policy for non-payment; and
- ii. refuse to pay any claim for an incident occurring after the cancellation date.

We will send You a second notice either before cancelling informing You of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If You need to make a claim when Your Policy is overdue, and before Your Policy has been cancelled for non-payment, We will require You to pay the overdue amount as part of the claim settlement process.

Remaining instalments

If Your insurance ceases as a result of a claim, such as a total loss, then We will deduct from the amount We pay to You for Your claim the total of the remaining instalments for the Period of Insurance as if the policy had continued.

If You cancel Your policy and have made a claim or are entitled to make a claim under the policy, then all the remaining instalments for the Period of Insurance are payable as if the policy had not been cancelled.

If You appoint a broker, then all the remaining instalments for the Period of Insurance are payable as different arrangements apply.

At renewal

Instalments on renewed policies will continue to be deducted at the same frequency and from the same nominated account or credit card. The instalment amount will be different as it will be based on the premium for the renewed policy.

Changing Your payment details

If You want to change Your nominated account or credit card, You must contact Us at least 14 days before Your next instalment is due.

Financial Claims Scheme

Each of these policies may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which only applies in the event of an insurer becoming insolvent and the Federal Treasurer declaring that the FCS will apply to that insurer.

Payment of a claim under the FCS is subject to the Scheme's eligibility criteria being met.

Information about the FCS can be obtained from <http://www.fcs.gov.au>.

General conditions

applying to all policies

What You must do when You have a policy

You have certain responsibilities that are set out in this section and in this Plan. These responsibilities also apply to any person that is covered by the Plan.

If You do not meet these responsibilities, We may refuse to pay a claim or reduce what We pay for a claim. We may also decide to cancel the Plan if permitted in accordance with provisions of the Insurance Contracts Act 1984 (Cth).

The course of action We take when You fail to do any of these things will be considered in each circumstance based on what impact or effect Your failure to do so caused or contributed to a claim under the Plan or Our decision to issue, amend or renew the Plan.

You must:

- keep all insured property in good condition
- comply with all relevant legislation and the requirements of government and statutory authorities
- comply with all relevant Australian Standards
- take reasonable care to safeguard Yourself and all insured property
- take reasonable care to avoid harming others or harming property belonging to others
- You, or any other person covered by the Plan, must not behave in a way that is improper, hostile, threatening, abusive or dangerous

- tell Us as soon as reasonably possible
 - if there is, or there will be, any material change relating to the insured property (including where it is kept) or the nature of the risk. When We receive a notification of change, We may decide to either communicate to You an adjustment to the premium or terms of the policy or cancel your policy in accordance with the provisions of the *Insurance Contracts Act 1984 (Cth)*. If You do not provide such notification before the happening of an event giving rise to a claim under this policy then, subject to the *Insurance Contracts Act 1984 (Cth)*, We may refuse to pay a claim, either in whole or in part. The course of action We take when You fail to provide such notification will be considered in each circumstance based on what impact or effect Your failure caused or contributed to the claim or Our decision to issue Your policy
 - if You no longer have an interest in the insured property
 - if You take out any other insurance which covers any insured property or liability insured by any of the policies We issue to You
- ensure that any safety system or security device installed to protect insured property is in working order and activated.

What You must and must not do if You make a claim or an event happens that might lead to You making a claim

You must:

- take reasonable measures to limit loss, damage or injury and to prevent further loss, damage or injury resulting from the event
- tell the police, as soon as reasonably possible, if a criminal act might have caused the loss, damage or injury
- as soon as reasonably possible, tell Us about the claim or the event and send Us written details when We require this
- as soon as reasonably possible, send Us any correspondence You receive about the claim or the event
- give Us all relevant information and help We may need in handling the claim. We will only request information relevant to handling Your claim and will explain why the information, documents and help is required.

You must not without Our prior consent:

- repair or dispose of any damaged property until We have had the opportunity to inspect it, provided it is reasonable and safe to do so
- admit liability for the event, loss, damage or injury
- negotiate, pay or settle a claim by or against anyone else for the loss, damage or injury.

What can affect Your entitlements

We may decline or reduce the amount of any claim under this policy for loss, damage or liability or refuse to indemnify You, if You enter, or have entered (even before this contract of insurance) into an agreement, release or undertaking which excludes or limits Our right to recover damages or a contribution from any third party who would otherwise be liable to compensate You with respect to such loss, damage or liability unless such agreement, release, or undertaking has been allowed in this policy or by specific mention in Your Certificate of Insurance.

If You do not do what You are obliged to do under Your policy and such failure to comply with Your policy contributes to the loss, damage or liability, We may refuse to pay a claim or any part of it.

The course of action We take when You breach any of the terms under Your policy will be considered in each circumstance based on what impact or effect Your breach caused or contributed to the claim or Our decision to issue Your policy.

What We may do

If an event happens that causes loss, damage or injury, We may:

- take over and conduct in Your name the defence or settlement of any claim against You. We will act reasonably in exercising Our discretion in how the defence is conducted or a claim is settled
- represent You at an inquest or official enquiry.

If We have paid or agreed to pay a claim, We have the right to proceed in Your name against any Person responsible for the loss, damage or injury. We take this action at Our expense. You must not do anything unreasonable which limits Our right to do so.

We will keep You reasonably informed and updated with the progress of proceedings.

In relation to any policy within this Plan that provides cover for Vehicles or Farm Vehicles, other than the Farm property damage policy and Motor vehicle policy, for example the Farm transit and Farm burglary and theft policy, Our repair and parts policies will apply.

Our repair policy

We have established a network of partnered repairers. These repairers must meet Our stringent acceptance criteria which requires a high standard of repair and service.

When You use one of Our partnered repairers You do not need to shop around for quotes and We will guarantee the quality of the workmanship and materials used in the repair.

You may choose Your own repairer, but if You do, We may require You to provide two quotes for the repair of Your Vehicle or Farm Vehicle, including one from a repairer of Our choice.

If Your Vehicle or Farm Vehicle is at Your chosen repairer and We want to obtain an alternative quote for repairs, We may arrange to move Your Vehicle or Farm Vehicle to another repairer at Our expense.

If the repairer needs to engage the services of a specific specialist repairer and/or supplier that repairer may sublet some of the repair work to such specialist repairer or supplier.

If We authorise the repairs to Your Vehicle or Farm Vehicle, We will guarantee the workmanship on the repairs authorised by Us for the life of Your Vehicle or Farm Vehicle.

We will handle any complaint about the quality or timeliness of the work or conduct of the repairer under 'Our Complaints Handling Procedure' contained within the 'Important Information applying to all policies' section in this Plan.

Our parts policy

If we agree to repair Your Vehicle or Farm Vehicle then We will use parts suitable for Your Vehicle or Farm Vehicle's age and condition, as follows:

- in most circumstances new Original Equipment Manufacture (OEM) approved parts will be used if Your Vehicle or Farm Vehicle is under three years old
- new and/or reusable non-mechanical or reconditioned OEM parts may be used in the following circumstances:
 - Your Vehicle or Farm Vehicle is over three years old; and
 - it does not affect the safety or the structural integrity of Your Vehicle or Farm Vehicle; and
 - it complies with the applicable Australian Design Rules and Your Vehicle or Farm Vehicle's manufacturer's specifications
- for Windscreens, We use parts which are compliant with Australian Design Rules.

If We have paid or agreed to pay a claim under this policy and any part for Your Vehicle or Farm Vehicle is unavailable in Australia, Our liability for the cost of freighting that part to Australia will be limited to that arising from sea transportation only.

We will not pay an international air freight charge or an amount exceeding the manufacturer's list price for any part, unless the charge or amount is incurred with Our prior consent (which will not be unreasonably withheld).

What We pay if property is damaged or destroyed

Farm Buildings and Other Property

There are two methods of calculating the amount payable for a claim. These methods are ‘Indemnity’ and ‘Replacement’. The method of claim payment calculation that You are covered for is shown on the Certificate of Insurance for the Farm Building or Other Property insured under the Farm property damage policy.

Indemnity

This is what We pay if ‘Indemnity’ is shown on the Certificate of Insurance for a Farm Building or Other Property

If a Farm Building or an item of Other Property (but not Your farm produce) is damaged or destroyed, We replace, reinstate or repair the part of the Farm Building or item that is damaged or destroyed as far as possible to the condition it was in immediately before it was damaged or destroyed, using materials that are readily available in Australia. Or, at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

We deduct a reasonable amount for wear, tear and depreciation whether the Farm Building or item of Other Property is damaged or destroyed.

We only pay up to the sum insured shown on the Certificate of Insurance for the Farm Building and Other Property damaged or destroyed for all claims arising out of the one event

Replacement

This is what We pay if ‘Replacement’ is shown on the Certificate of Insurance for the Farm Building or Other Property

If a Farm Building or an item of Other Property (but not Your farm produce) is damaged, We replace, reinstate or repair the part of the Farm Building or item that is damaged as far as possible to its original condition, using materials that are readily available in Australia. Or, at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

If a Farm Building is destroyed, We pay the cost to erect a new building to the same design and specification as the destroyed Farm Building. Or, at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

If an item of Other Property (but not Your farm produce) is destroyed, We pay to replace it as new at the time it was destroyed. Or, at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

We only pay up to the sum insured shown on the Certificate of Insurance for the Farm Building and Other Property damaged or destroyed for all claims arising out of the one event.

Farm produce

If Your farm produce is damaged or destroyed, We pay what You would have received from the sale of Your farm produce at the time of the damage or destruction, less any residual market value of the farm produce immediately following the damage or destruction.

We do not pay for an international freight charge or an amount exceeding the manufacturer's list price for any part unless the charge or amount is incurred with Our prior consent (which will not be unreasonably withheld).

If a Farm Vehicle is destroyed, We pay the Retail Cost (excluding the cost of registration, stamp duty, transfer fees and insurance) at the time it was destroyed.

If a Farm Vehicle is damaged and destroyed, We will pay the Retail Cost (excluding the cost of registration, stamp duty, transfer fees and insurance) subject to the sum insured limit shown on the Certificate of Insurance (or if a vehicle is not specified, the sum insured shown on the Certificate of Insurance for unspecified Farm Vehicles).

Farm loss of income policy

This policy insures You against Your reduction in Gross Income as a direct consequence of physical damage to Farm Property or death of Livestock.

We calculate Your entitlements under the policy in accordance with the formula shown in the policy.

You only have this policy if:

- You have selected Our Farm property damage policy or Our Farm general property policy; and*
- the risk shown on the Certificate of Insurance is 'Farm loss of income'.*

The General conditions on pages 11 and 12 and the General exclusions on pages 13 and 14 apply to this policy. The General definitions on pages 15 - 18 apply to words used in this policy.

What You are insured against

This policy insures You against reduction of Gross Income to the Farm Business as a direct consequence of:

- physical damage to Farm Property at the Farm Premises during the Period of Insurance, but only if:
 - We have paid a claim for that damage under Our Farm property damage policy or Our Farm general property policy; or
 - that damage is to a motor vehicle You insure under Our Motor vehicle policy for 'Farm Use' with 'Comprehensive, fire theft and legal liability' or 'Fire and theft only' cover and We would have paid a claim for it under Our Farm property damage policy if You had insured the vehicle under that policy
- death of Livestock during the Period of Insurance, but only if:
 - We have paid a claim for the death of the Livestock under Our Farm property damage policy
 - We have paid a claim for the death of the Livestock under Our Livestock policy (which is not contained in this Plan)
 - the Livestock was agisted at the Farm Premises when it died and We would have paid a claim for its death under Our Farm property damage policy if You had owned the Livestock and insured it under Our Farm property damage policy in this Plan.

You are only insured under this policy if the reduction of Gross Income arising out of the one event is \$1,500 or more.

What is not insured

This policy does not insure You against:

- 1 any reduction of Gross Income which occurs after:**
 - You formally decide to close or discontinue the Farm Business or that part of the Farm Business directly affected by the damage to Farm Property or death of Livestock which gave rise to the claim under this policy
 - a receiver or liquidator is appointed to carry on the Farm Business or that part of the Farm Business directly affected by the damage to Farm Property or death of Livestock which gave rise to the claim under this policy
 - the commencement of the winding up of the Farm Business or that part of the Farm Business directly affected by the damage to Farm Property or death of Livestock which gave rise to the claim under this policy
 - 12 months following the date on which the damage to Farm Property or the death of the Livestock occurred.
- 2 any loss You suffer as a result of breach of contract.**
- 3 loss of the amount You would have received if You had sold (or sold at a higher price) the Farm Property which was damaged or the Livestock which died.**

This policy insures You against the financial consequence of damage to Farm Property or death of Livestock. It does not insure You against the damage to Farm Property or the death of Livestock.

For example, if a cow dies, this policy will insure You for the Gross Income You would have received from the milk produced by the cow if it had not died. It does not insure You for the market price of the cow which died.

What We pay

We pay the amount shown on the Certificate of Insurance for 'Loss of Gross Income' or the amount resulting from application of the following formula, whichever is less.

A minus **B** minus **C**, where:

- **A** is the Gross Income which the Farm Business probably would have received if not for the damage to Farm Property or the death of Livestock which gave rise to the claim under this policy, not exceeding the sum insured for 'Loss of Gross Income' shown on the Certificate of Insurance; and
- **B** is the Gross Income which the Farm Business actually received after the damage to Farm Property or the death of Livestock which gave rise to the claim under this policy; and
- **C** is the amount of the costs the Farm Business did not incur, but that it probably would have incurred for the sole purpose of earning Gross Income, if not for the damage to Farm Property or death of Livestock which gave rise to the claim under this policy. *For example, these costs include the cost of feed You might have bought and fed to Livestock if they had not died, for the purpose of earning income from the sale of milk.*

In calculating the Gross Income which the Farm Business probably would have received if not for the damage to Farm Property or the death of Livestock which gave rise to the claim under this policy, We will have regard to the experience of the Farm Business for a 12 month period leading up to the damage to Farm Property or death of Livestock (if the Farm Business has been operating for that amount of time).

If the Farm Business is conducted in discrete parts and the trading results for the part affected by the damage to Farm Property or the death of Livestock can be reasonably easily determined, the formula will apply separately to each part affected by the damage to Farm Property or the death of Livestock.

We also pay for:

- additional expenditure reasonably incurred by the Farm Business for the sole purpose of avoiding or diminishing the reduction in Gross Income as a result of the damage to Farm Property or the death of Livestock, but only up to the amount of the insured loss of Gross Income thereby avoided; and
- the reasonable cost charged by Your accountant to perform work to satisfy Us of the amount of the reduction in Gross Income, but only up to the sum insured for 'Accountant fees' shown on the Certificate of Insurance.

We only pay:

- a claim under this policy to the extent that You cannot claim the reduction in Gross Income under an additional benefit in Our Farm property damage policy
- the amount that would have been payable had You repaired, replaced or reinstated Farm Property or replaced Livestock within a reasonable period
- up to the sum insured for 'Loss of Gross Income' shown on the Certificate of Insurance as a consequence of all damage to Farm Property or death of Livestock during the Period of Insurance.

Additional benefits

Solar panels and wind turbines

If We have paid or agreed to pay a claim for damage to solar panels and wind turbines under Our Farm property damage policy in this Plan, We will also pay You for loss of income as a direct result of that damage to solar panels or wind turbines.

We will pay the amount of income or credit the Farm Business would have received for the kWh that would have been produced by the solar panels and wind turbines if not for the damage. The amount We pay will be calculated based on the average value per kWh that You were paid or credited in the last 30 days prior to the damage. We only pay this benefit if Your solar panels or wind turbines are insured under the Farm property damage policy and shown on Your Certificate of Insurance.

The most We will pay is \$5,000 during any one Period of Insurance.

Suppliers' and customers' premises

We treat damage to property in Australia at:

- Your suppliers' premises; or
 - Your customers' premises,
- as if it was damage to Farm Property at the Farm Premises.

We only pay a claim for this benefit if:

- 'Suppliers and customers premises' is shown on the Certificate of Insurance; and
- We would have paid a claim for the damage to the property if it had been insured under Our Farm property damage policy.

If You are making a claim under this policy, You must give Us:

- access to the records of the Farm Business at any reasonable time and place; and

If Livestock dies (including slaughter for humane reasons) or is stolen, We pay You the market value of the animal at the time it was stolen or died less the residual market value of the Livestock.

If Livestock is injured, We pay what We would have paid if it had died, less the residual market value of the Livestock at the time of the event as a result of the event.

We will pay up to \$10,000 or the sum insured shown on the Certificate of Insurance for ‘Other Property’ for all claims for Livestock arising out of any one event.

Farm Vehicle

If a Farm Vehicle is damaged, We repair the part of the Farm Vehicle that is damaged as far as possible to the condition it was in immediately before it was damaged. Or, at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

We do not pay for an international freight charge or an amount exceeding the manufacturer’s list price for any part unless the charge or amount is incurred with Our prior consent (which will not be unreasonably withheld).

If a Farm Vehicle is destroyed, We pay the Retail Cost (excluding the cost of registration, stamp duty, transfer fees and insurance) at the time it was destroyed.

If a Farm Vehicle is damaged and destroyed, We will pay the Retail Cost (excluding the cost of registration, stamp duty, transfer fees and insurance) subject to the sum insured limit shown on the Certificate of Insurance (or if a vehicle is not specified, the sum insured shown on the Certificate of Insurance for unspecified Farm Vehicles).

If We pay a claim for a Farm Vehicle as a Total Loss:

- We are entitled to claim the wreck if We pay at least the Retail Cost (excluding the cost of registration, stamp duty, transfer fees and insurance);
- You are entitled to the wreck if We pay You the sum insured (if an amount is shown for the sum insured), but if the sum insured is less than the Retail Cost (excluding the cost of registration, stamp duty, transfer fees and insurance), We deduct from what We pay the amount by which the sum insured plus the value of the wreck exceeds the Retail Cost (excluding the cost of registration, stamp duty, transfer fees and insurance).

Limit on what We pay for Other Property and Farm Vehicles

For Other Property and Farm Vehicles We pay only up to the sum insured shown on the Certificate of Insurance for the specific item for all claims arising out of the one event.

Limits on what We pay for certain items of property

We pay up to the greater of \$2,000 or the amount shown on the Certificate of Insurance, for a lost, destroyed, stolen or damaged picture, painting, work of art or curio.

We pay the stationery value for a lost, destroyed, stolen or damaged computer record, document, manuscript or business book.

The maximum amount We will pay under this policy for any one claim for loss of or damage to or destruction of fuels and oils is the greater of \$5,000 or the amount shown on the Certificate of Insurance for ‘Fuels and oils’.

If a sum insured is shown on the Certificate of Insurance for ‘Burglary’ and for ‘Theft’, We pay up to the total of both sums insured for all claims for burglary arising out of the one event.

- the amount of that sum insured for a claim for that item, the sum insured is not reinstated.

If We pay the sum insured for an item, We suggest You contact Us to discuss insuring the replacement item.

Unoccupied Farm Premises

This policy does not provide any insurance if at the time the loss or damage occurs, the Farm Premises are unoccupied and have been so unoccupied for at least 90 consecutive days before the loss or damage unless:

The types of cover We offer

We offer insurance cover for:

- Your Home
- Contents
- both Your Home and Contents.

The extent of Your insurance cover depends on the type of cover You have taken out. This is shown on the Certificate of Insurance.

What You are insured against

This policy insures You against Accidental damage, burglary and theft occurring during the Period of Insurance.

You have insurance for:

- Your Home if 'Building' is shown on the Certificate of Insurance
- Contents if 'Contents' is shown on the Certificate of Insurance.

You are only insured for 'Contents' when they are in the area described under 'when covered' in the table that follows on pages 58 and 59.

This policy does not insure You against an item being lost or misplaced.

What is not insured

This policy does not insure You against:

1 damage directly caused by:

- Flood, if under the heading 'Flood cover', Your Certificate of Insurance for this policy states 'Your policy does not include cover for damage caused by Flood'.

If Your Certificate of Insurance for this policy states under the heading 'Flood cover': 'Your policy does not include cover for damage caused by Flood', it is because You chose not to have Flood cover.

- rain, Flood, hail or snow to Contents unless they are in a fully enclosed and roofed building within the boundary of Your Home when the loss or damage occurred

If Your Certificate of Insurance for this policy states:

- under the heading 'Flood cover': 'Your policy includes cover for damage caused by Flood', You do not have any Flood cover for Contents if they are not in a fully enclosed and roofed building when the loss or damage occurred;

- under the heading 'Flood cover': 'Your policy does not include cover for damage caused by Flood', You do not have any Flood cover for Contents even if they are in a fully enclosed and roofed building when the loss or damage occurred.

- sea or tidal wave (even if directly caused by an earthquake)
- Storm Surge unless:
 - the same damage to Your Home or Contents is directly caused by Flood; and
 - Your Certificate of Insurance for this policy states under the heading 'Flood cover': 'Your policy includes cover for damage caused by Flood'
- tsunami
- earth movement no matter how caused, including erosion, vibration, subsidence, seepage, saturation, creeping, landslip, mudslide, collapse, shrinkage, settling, expansion or heaving, unless the damage occurs within 72 hours of, and is directly caused by:

- a) earthquake; or
- b) water overflowing, leaking or bursting from a fixed pipe or fixed system; or
- c) Storm water or Flood, and Your Certificate of Insurance for this policy states under the heading 'Flood cover': 'Your policy includes cover for damage caused by Flood'.

In respect of b) above, We only pay up to \$10,000 for any one claim.

- the subterranean seepage of water, no matter how caused
- lightning, unless the evidence of lightning damage can be clearly seen
- a process of cleaning, repairing or restoring

- the lopping or felling of a tree, unless the tree is being lopped or felled by a professional tree lopper
- a process involving the deliberate application of heat (only the thing intended to be heated is not covered)
- pets, birds, moths, insects or vermin
- a tree root

2 damage directly or indirectly caused by or arising out of:

- a structural fault, faulty design or faulty workmanship performed by You
- a structural fault, faulty design or faulty workmanship if You knew, or ought to have known about the structural fault, faulty design or faulty workmanship and failed to fix it or arrange to have it fixed before the damage occurred or commenced to occur
- lack of maintenance (for example, failure to clean out gutters)
- mildew
- mould or wet or dry rot, unless arising from an event covered under this policy

4 damage to:

- retaining walls, garden borders and free standing outdoor walls directly caused by Flood

You do not have this cover for damage even if Your Certificate of Insurance for this policy states under the heading 'Flood cover': 'Your policy includes cover for damage caused by Flood'

- swimming pools, spas, septic tanks or other in ground structures, including their surrounds, directly caused by Hydrostatic Pressure

- swimming pools, whether above ground or in ground structures, that have not been installed according to the manufacturer's instructions and such failure caused or contributed to the damage
- Your Home if directly caused by an alteration or addition to Your Home in progress if the contract value (inclusive of labour, materials, all taxes including GST specified in the contract and any variations to the contract) for the alteration or addition exceeds \$50,000
- an alteration or addition to Your Home which is in progress, unless the contract value (inclusive of labour, materials, all taxes including GST specified in the contract and any variations to the contract) for the alteration or addition is \$50,000 or less and the damage:
 - occurs when the work on the alteration or addition has been in progress for less than three months; and
 - is directly caused by violent wind (but not by rain, hail or snow accompanying the violent wind), fire, explosion, lightning, earthquake, riot, civil commotion or impact by a vehicle, aircraft or aerial device

If You are altering or adding to Your Home, You may want to insure the building materials before they become a part of Your Home because this policy does not insure them.

 - directly caused by fire, lightning, earthquake, Storm, explosion, burglary, theft, vandalism or impact by a vehicle or aircraft
 - Accidental staining of a fixed floor covering.

9 mechanical, structural, electrical, hydraulic or electronic breakdown or failure, unless the breakdown or failure results in loss or damage to insured property, other than the item or component that suffered the breakdown or failure.

This exclusion does not apply to a home appliance or item of office equipment if You are entitled to cover under the 'Electrical damage' additional benefit.

10 deterioration of food or drink except as described under the additional benefit 'Deterioration of food'.

11 wear, tear, rust, corrosion or gradual deterioration.

provided that this exclusion will not apply to physical loss or damage directly caused by Accidental damage, burglary or theft We cover You for under this policy, except if caused by vandalism or a malicious act. For example, We will not cover You if Your Domestic Building's security system cannot be used because of a cyber attack, but We will cover You for loss or damage from theft from Your Domestic Building as covered under this policy after Your Domestic Building's security system is impacted by a cyber attack.

18 loss, damage, liability, claim, cost or expense directly or indirectly caused by or contributed to by loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any data including the value of the data.

What We do if Your Home is Accidentally damaged

If 'Building' and 'Replacement' are shown on the Certificate of Insurance, We replace, reinstate or repair the part of Your Home that is Accidentally damaged as far as possible to its original condition, using materials that are readily available in Australia. Or, at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

If the building has architectural features and structural materials possessing an ornamental or historical character or for which the original materials are not available, We replace, reinstate or repair the building to a reasonable approximation of its appearance prior to the damage using the original design and suitably equivalent materials. Or at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

You are only insured for the reinstatement, replacement or repair of a wall, ceiling or fixed floor covering which is damaged in the room where the damage occurred.

- pay the value of that one item, and We will not pay more than the value of that lost, destroyed, or damaged item as a proportion of the combined pair or set; and
- if the entire pair or set is completely inoperable because of the loss or damage to a single item which cannot be replaced (or a single replacement item does not complete the pair or set to make it operational - for example hearing aids) We will either pay You the cost to replace the entire pair or set or replace the entire pair or set.

If We agree to pay a claim where film, photos or home movies or similar recorded material is destroyed, We pay for the replacement with blank film, video, compact discs or similar.

We will not pay to reconstruct the recorded material or any circumstances or conditions. Where software is destroyed, We will pay the cost to replace it with the nearest equivalent new software.

Additional benefits

The following additional benefits are in addition to any sums insured shown on the Certificate of Insurance for 'Building' and 'Contents'.

Attendance of a security firm

We pay the reasonable cost You incur to have a security firm attend Your Home as a consequence of a burglary or attempted burglary. We only pay this benefit if there is physical evidence of a violent and forcible entry.

We pay up to \$500 for all attendances of security firms at Your Home during the Period of Insurance.

Boarding of a domestic pet

If We have paid or agreed to pay a claim for damage to Your Home, We pay up to \$500 towards the cost You reasonably incur to board a domestic pet normally kept in a Domestic Building at Your Home for as long as the Domestic Building remains uninhabitable as a direct result of such damage.

Credit and debit cards

If 'Contents' is shown on the Certificate of Insurance, We also insure You against the fraudulent use of Your credit or debit cards during the Period of Insurance by anyone other than You, a member of Your Family or a person who lives solely with You. We pay up to \$5,000 or the limit of the credit or debit card fraudulently used, whichever is less.

We will not pay You this benefit if You have not complied with the card issuer's requirements, and Your noncompliance caused or contributed to loss.

Deterioration of food

If 'Contents' is shown on the Certificate of Insurance, We pay for Your loss as a result of deterioration of food in Your Home during the Period of Insurance directly caused by:

- the breakdown of the refrigeration or freezer unit in which it is kept

 - a strike
 - Your failure to make a payment to a supply authority

If Your Home is occupied by a tenant and 'Building' and 'Rented premises' is shown on the Certificate of Insurance, We insure Your carpets, internal blinds, curtains or other window coverings in Your Home as if 'Contents' had been shown on the Certificate of Insurance.

We pay up to the lesser of \$10,000 or 10% of the sum insured shown on the Certificate of Insurance for 'Building', for all claims for this benefit arising out of the one event.

Legal Costs

We pay up to \$10,000 for Legal Costs, but only if We are satisfied there are reasonable prospects of success in the Legal Proceedings and that the Legal Costs You have incurred (or will incur) fighting the Legal Proceedings are reasonable having regard to the amount in dispute.

We only pay this benefit if 'Building' and 'Contents' are shown on the Certificate of Insurance and You:

- first become aware of the dispute giving rise to the Legal Proceedings during the Period of Insurance; and

- notify Us, as soon as reasonably possible, of any potential claim and supply Us with relevant information to enable Us to determine whether You have reasonable prospects of success; and

- become totally and permanently unable to engage in or attend to any profession, business or occupation; or
- suffer permanent and incurable quadriplegia, paraplegia or paralysis of all limbs,

as a direct result of an event for which We have paid or agreed to pay a claim under this policy, We pay up to \$10,000 towards the reasonable cost You incur to modify the Domestic Building in which You permanently reside to accommodate Your physical condition resulting from the event.

We only pay this benefit if We have approved the cost before You incur it.

Mortgage discharge

If We have paid or agreed to pay a claim for the destruction of Your Home, We pay up to \$2,000 towards the reasonable charges and fees You incur to discharge a mortgage in relation to Your Home.

Pet veterinary care

If You are living in Your Home and 'Contents' is shown on the Certificate of Insurance, We pay up to \$1,000 for veterinary fees You incur for care of Your domestic dog or cat injured in a road accident which occurs during the Period of Insurance. This benefit does not extend to Working Dogs or to a dog or cat that, at the time of the incident, is not registered or microchipped as required by law.

Plants, shrubs and trees

If You are living in Your Home and 'Contents' is shown on the Certificate of Insurance, this policy is extended to insure Your plants, shrubs, trees, vines and artificial lawn while within the boundary of Your Home against:

- theft or destruction by a thief or a vandal; and
- destruction directly caused by fire, lightning or explosion,

during the Period of Insurance.

We pay up to \$300 for the theft or destruction of any one plant, shrub or tree and up to \$1,500, for all plants, scrubs, trees, vines and artificial lawn arising out of the one event.

Removal and storage of Contents

If We have paid or agreed to pay a claim for damage to Your Home and as a direct result of the damage Your Home is uninhabitable, We pay up to \$5,000 for the removal and the cost of up to 52 weeks rent of a commercial storage facility to store the Contents.

We only pay this benefit if We have not paid You the additional benefit 'Temporary accommodation or loss of rent'.

We stop paying for the rental of the facility once We replace, reinstate or repair the damage to Your Home or pay You to do so or Your Home becomes habitable.

Replacement keys and locks

If We have paid or agreed to pay a claim for a burglary or theft during the Period of Insurance and a key to Your Home was stolen during that burglary or theft, We pay up to \$2,000 to replace the key and the lock it fitted with a key and lock of similar make and model.

Replacement title deeds

If We have paid or agreed to pay a claim for damage to Your Home or Contents, We pay up to \$2,000 towards the reasonable cost You incur to replace title deeds to the land on which Your Home is built which were damaged or destroyed in the insured event.

Solar panels

If 'Building' is shown on the Certificate of Insurance, We pay up to \$5,000, for damage to properly fitted solar panels or inverters, caused by hail or Storm damage, less an amount for wear, tear and depreciation. A travel excess of \$500 applies if the repairer needs to travel more than 50km one way to the property.

Temporary accommodation or loss of rent

If We have paid or agreed to pay a claim for damage to Your Home, We pay:

- the reasonable cost for You and Your Family to rent a comparable house in a nearby location; or
- the rental income You lose if at some time during the 60 days prior to the date on which the damage occurred, Your Home was occupied by a tenant,

until:

- We replace, reinstate or repair the damage to Your Home; or
- We pay You to do so (in which case it will include provision for this benefit as if We were replacing, reinstating or repairing the damage to Your Home); or
- Your Home becomes habitable.

We pay up to \$30,000 towards the cost of 52 weeks rental costs or 52 weeks loss of rent.

Tenant's additional benefit

If You are renting Your Home and 'Contents' is shown on the Certificate of Insurance, this policy is extended to insure damage to the fixtures and fittings which belong to Your landlord and for which You are legally responsible. It also insures fixtures or fittings You install for Your own use.

We only pay this benefit if We would have paid the claim if 'Building' had been shown on the Certificate of Insurance.

We pay up to \$2,500 for this benefit.

The following additional benefits are included in the sum insured shown on the Certificate of Insurance for 'Contents':

Change of address

If 'Contents' is shown on the Certificate of Insurance and:

- You are permanently moving to another home and You tell Us before You move that You are doing so; and
- We agree before You move to insure Your new home,

We will, for a period of 30 days from the date on which You start moving, insure the Contents at both addresses.

Contents in a commercial storage facility

This policy is extended to insure Your Contents other than cash, negotiable instruments or jewellery while being stored in a commercial storage facility if You notify Us and We agree to insure those Contents whilst stored in that facility and 'Contents in a commercial storage facility' is shown on the Certificate of Insurance.

The following additional benefit is included in the sum insured shown on the Certificate of Insurance for 'Building':

Costs connected with rebuilding

If We have paid or agreed to pay a claim to replace or reinstate Your Home We pay for:

- the extra cost to comply with the requirement of a public authority in relation to rebuilding Your Home, but not the cost for work You were required to do before the damage occurred
- architects', surveyors' and legal fees
- demolition costs and the costs to clear debris from the site of the building being replaced or reinstated.

We only pay these costs under this additional benefit if:

- they are incurred as a consequence of the loss or damage for which We have agreed to pay a claim; and
- they are reasonable; and
- We have approved them before You incur them.

You should seek Our agreement before incurring any out-of-pocket expenses to ensure You will be able to claim those costs back on Your Policy. If You do not obtain Our agreement first, We will only pay reasonable costs up to the amount We would have agreed to pay had You obtained Our prior agreement.

Sum insured

Each year Your policy renews, We will automatically review and may change Your Home sum insured and Contents sum insured to account for inflationary trends.

Special conditions

Excess

You will be required to pay the first \$500 as an excess for all claims for damage by earthquake arising during any one period of 72 consecutive hours following an earthquake.

Reinstatement of sum insured

If a sum insured is shown for an item on the Certificate of Insurance and We pay:

- less than that sum insured for a claim for that item, We reinstate that sum insured unless We told You when the claim was settled that the sum insured would only be reinstated if You paid an additional premium and accepted any additional conditions We required
- the amount of that sum insured for a claim for that item, the sum insured is not reinstated.

If We pay the sum insured for an item, We suggest You contact Us to discuss insuring the replacement item.

Unoccupied home

This policy does not provide any insurance if at the time the loss or damage occurs, Your Home is unoccupied and has been so unoccupied for at least 90 consecutive days before the loss or damage unless:

- You tell Us before the 90 days begin and We agree to continue to insure You under this policy; and
- You ensure that all gates, doors and windows are left securely locked.

What You are insured against if Your Home is a caravan

If Your Home is a caravan, it is only insured while You are living in it at the address shown on the Certificate of Insurance.

Your caravan is only insured for physical damage that occurs during the Period of Insurance and is directly caused by events 1-12 described on this page.

Your caravan Contents are only insured:

- for physical damage that occurs during the Period of Insurance when the Contents are in Your caravan and that damage is directly caused by events 1-5 or 7-12; and
- for theft during the Period of Insurance, but only following forcible entry to Your caravan.

Your caravan annexe is only insured for physical damage that occurs during the Period of Insurance and that is directly caused by events 1, 2, 3, 4, 7, 8 or 9.

What is not insured

This policy does not insure You against:

1 loss or damage directly caused by:

- Flood, if under the heading 'Flood cover', Your Certificate of Insurance for this policy states 'Your policy does not include cover for damage caused by Flood'.
If Your Certificate of Insurance for this policy states under the heading 'Flood cover': 'Your policy does not include cover for damage caused by Flood', it is because You chose not to have Flood cover.
- rain, Flood, hail or snow to Contents unless they are in a fully enclosed and roofed building within the boundary of Your Home when the loss or damage occurred.

If Your Certificate of Insurance for this policy states:

a) under the heading 'Flood cover':

Your policy includes cover for damage caused by Flood; You do not have Flood cover for Contents if they are not in a fully enclosed and roofed building when the loss or damage occurred;

b) under the heading 'Flood cover':

Your policy does not include cover for damage caused by Flood; You do not have any Flood cover for Contents even if they are in a fully enclosed and roofed building when the loss or damage occurred.

- sea or tidal wave (even if directly caused by an earthquake)
- Storm Surge unless:
 - the same damage to Your Home or Contents is directly caused by Flood; and
 - Your Certificate of Insurance for this policy states under the heading 'Flood cover': *Your policy includes cover for damage caused by Flood'*

- tsunami
- earth movement no matter how caused, including erosion, vibration, subsidence, seepage, saturation, creeping, landslip, mudslide, collapse, shrinkage, settling, expansion or heaving, unless the damage occurs within 72 hours of, and is directly caused by:

- a) earthquake; or
- b) water overflowing, leaking or bursting from a fixed pipe or fixed system; or
- c) Storm water or Flood, and Your Certificate of Insurance for this policy states under the heading 'Flood cover': *Your policy includes cover for damage caused by Flood'.*

In respect of b) above, We only pay up to \$10,000 for any one claim.

- the subterranean seepage of water, no matter how caused
- pets, birds, moths, insects or vermin

2 loss or damage directly or indirectly caused by or arising out of:

- mildew
- mould or wet or dry rot, unless arising from an event covered under this policy

- lack of maintenance (for example, failure to clean out gutters)

3 loss, damage, injury or death arising from or directly or indirectly caused by, contributed to by, resulting from or in connection with a Communicable Disease, or the fear or threat (whether actual or perceived) of a Communicable Disease.

4 damage to:

- a private boat ramp or jetty directly caused by events '4 earthquake', '5 burglary and housebreaking', '6 theft or vandalism', '7 impact', '8 riot or civil commotion', '9 Storm', '10 bursting, leaking or overflowing' or '12 Flood'

You do not have this cover for this damage even if Your Certificate of Insurance for this policy states under the heading 'Flood cover': 'Your policy includes cover for damage caused by Flood'

- Your Home if directly caused by an alteration or addition to Your Home which is in progress if the contract value (inclusive of labour, materials, all taxes including GST specified in the contract and any variations to the contract) for the alteration or addition exceeds \$25,000
- an alteration or addition to Your Home which is in progress, unless the contract value (inclusive of labour, materials, all taxes including GST specified in the contract and any variations to the contract) for the alteration or addition is \$25,000 or less and the damage:
 - occurs when the work on the alteration or addition has been in progress for less than three months; and
 - is directly caused by violent wind (but not by rain, hail or snow accompanying the violent wind), fire, explosion, lightning, earthquake, riot, civil commotion or impact by a vehicle, aircraft or aerial device

If You are altering or adding to Your Home, You may want to insure the building materials before they become a part of Your Home because this policy does not cover them.

5 damage that is mildew.

6 damage that is mould or wet or dry rot, unless arising from an event covered under this policy.

7 wear, tear, rust, corrosion, electrolysis, chemical reaction, or gradual deterioration.

8 loss, damage, liability, claim, cost or expense directly or indirectly caused by or contributed to by:

- errors or omissions involving access to, processing of, use of or operation of any computer system or any unavailability or failure to access, process, use or operate any computer system, or

- any unauthorised, malicious or criminal act (or any threat or hoax of this) involving access to, processing of, use of or operation of any computer system,

provided that this exclusion will not apply to physical loss or damage directly caused by an incident or event We cover You for under this policy, except if caused by vandalism or a malicious act. For example, We will not cover You if Your Domestic Building's security system cannot be used because of a cyber attack, but We will cover You for loss or damage from theft from Your Domestic Building as covered under this policy after Your Domestic Building's security system is impacted by a cyber attack.

- 9 loss, damage, liability, claim, cost or expense directly or indirectly caused by or contributed to by loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any data including the value of the data.**
- 10 mechanical, structural, electrical, hydraulic or electronic breakdown or failure, unless the breakdown or failure results in loss or damage to insured property, other than the item or component that suffered the breakdown or failure.**

This exclusion does not apply to electric motors that form part of home appliances or office equipment if You are entitled to cover under the 'Electrical damage' additional benefit.

What We pay if Your Home is damaged

If 'Building' and 'Indemnity' are shown on the Certificate of Insurance, We replace, reinstate or repair the part of Your Home that is damaged to a similar condition it was in before it was damaged. Or, at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

If the building has architectural features and structural materials possessing an ornamental or historical character or for which the original materials are not available, We replace, reinstate or repair the building to a state of reasonable appearance using the original design and suitably equivalent materials. Or, at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

If Your Home is destroyed, We pay the cost to build a new house to the same design and specification.

Or, at Our option, We pay You the reasonable cost to do so. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

Limits on what We pay for certain items of Contents

Where You make a claim in relation to an item which forms part of a pair or set We will:

- pay the value of that one item, and We will not pay more than the value of that lost, destroyed, or damaged item as a proportion of the combined pair or set; and
- if the entire pair or set is completely inoperable because of the loss or damage to a single item which cannot be replaced (or a single replacement item does not complete the pair or set to make it operational - for example hearing aids) We will either pay You the cost to replace the entire pair or set or replace the entire pair or set.

If We agree to pay a claim where film, photos or home movies or similar recorded material is destroyed We pay for the replacement with blank film, videos, compact discs or similar. We will not pay to reconstruct the recorded material or any circumstances or conditions. Where software is destroyed we will pay the cost to replace it with the nearest equivalent new software.

The types of cover We offer

We offer four different types of insurance against the physical loss of or physical damage to Your Vehicle and Your liability for Damage to Property or Personal Injury caused by Your Vehicle. The table below shows each type of insurance cover We offer.

The extent of insurance You have depends on the type of insurance cover You have taken out.

The vehicle You have insured and the cover You have taken out for it is shown on the Certificate of Insurance.

IF THE CERTIFICATE SHOWS YOU GET	
Comprehensive	insurance against Accidental damage to or theft of Your Vehicle plus the additional benefits noted in this policy for Private Use if 'Private Use' is shown on the Certificate of Insurance plus the insurance for legal liability plus the additional benefits for legal liability
Fire theft and legal liability	insurance for fire and theft only plus the insurance for legal liability plus the additional benefits for legal liability
Fire and theft only (only available for vehicles insured for Farm Use)	insurance against Accidental damage by fire to Your Vehicle; damage by a thief to Your Vehicle and for the theft of Your Vehicle
Legal liability	insurance for legal liability plus the additional benefits for legal liability (You are not insured against damage to Your Vehicle except in very limited circumstances - see page 89 - Damage to Your Vehicle by an uninsured vehicle)

The use of Your Vehicle for which You are insured under section 1 of this policy (if Your Vehicle is damaged or stolen) and section 2 of this policy (the insurance for legal liability)

We allow You to insure Your Vehicle for one of three uses: 'Private Use', 'Business Use' or 'Farm Use'. We tell You in the special definitions on page 91 what We mean by each of these terms.

The use for which Your Vehicle is insured is shown on the Certificate of Insurance.

What is not insured under section 1 of this policy

You are not insured under section 1 of this policy against:

- 1 wear, tear, corrosion, rust or gradual deterioration.**
- 2 structural, mechanical, electrical, electronic or hydraulic breakdown or failure.**
- 3 damage to a tyre or continuous track directly caused by the road, by the application of brakes or by a puncture or burst, unless there is other damage to Your Vehicle in the same incident and some or all of that other damage is covered by the cover You selected.**
- 4 loss of use except as specifically provided in this policy or shown on the Certificate of Insurance.**
- 5 loss of, or damage to:**
 - any drill shaft bit; or
 - any drilling rig bit, whilst being used in the course of drilling.
- 6 theft by any person:**
 - who is insured by this policy
 - to whom Your Vehicle is on hire
 - for whose debt Your Vehicle is security under an agreement entered into by any Person insured by this policy.
- 7 damage to a concrete agitator, barrel, bowl or pump or their fittings directly caused by the hardening or setting of concrete.**

When You are not insured under sections 1 and 2 of this policy

You are not insured under section 1 and section 2 of this policy while Your Vehicle:

- 1 is being driven, towed, operated by or in the charge of a person who:**
 - did not have a licence required by law
 - was not complying with all of the terms and conditions of their licence
 - was under the influence of alcohol or a drug
 - had more than the legal limit of alcohol or a drug in their blood
 - subsequently refused to undergo a legal test for the amount of alcohol or a drug in their blood in connection with their driving, towing, operating or being in charge of the vehicle.

If You were not the driver or the person operating or in charge of the vehicle at the time of the loss, damage or Occurrence, We will not rely on this exclusion if You can satisfy Us that at the time of the loss, damage or Occurrence You did not know and could not reasonably have known, that the driver or person operating or in charge of Your Vehicle:

- *did not have the required licence*
 - *was not complying with all of the terms and conditions of their licence*
 - *was or might be under the influence of alcohol or a drug.*
- 2 is being used for a use other than the one shown on the Certificate of Insurance.**

- 9 is being let or hired.**
- 10 is being used to teach driving skills for reward.**
- 11 is running on rails other than as cargo.**
- 12 is not running solely on solid ground.**

What is not insured under sections 1 and 2 of this policy

You are not insured under section 1 and section 2 of this policy against:

1 loss, damage, liability, claim, cost or expense directly or indirectly caused by or contributed to by:

- errors or omissions involving access to, processing of, use of or operation of any computer system or any unavailability or failure to access, process, use or operate any computer system, or
- any unauthorised, malicious or criminal act (or any threat or hoax of this) involving access to, processing of, use of or operation of any computer system,

provided that this exclusion will not apply to physical loss or damage directly caused by an incident or event We cover You for under this policy, except if caused by vandalism or a malicious act. For example, We will not cover You if Your Vehicle's GPS or security system cannot be used because of a cyber attack, but We will cover You for theft of Your Vehicle if it is stolen after Your Vehicle's security system is impacted by a cyber attack.

2 loss, damage, liability, claim, cost or expense directly or indirectly caused by or contributed to by loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any data including the value of any data.

Section 1: what You are insured for if Your Vehicle is damaged or stolen

Comprehensive cover

If Your Vehicle is Accidentally damaged or stolen in Australia during the Period of Insurance and 'Comprehensive' is shown on the Certificate of Insurance, We may at Our option:

- repair the damage or pay You the reasonable cost of repairs at the time of the damage; or
- if Your Vehicle is stolen or is a Total Loss and:
 - 'Private Use' and 'Agreed Value' are shown on the Certificate of Insurance, pay You the Agreed Value for Your Vehicle; or
 - 'Private Use' and 'Retail Cost' are shown on the Certificate of Insurance, pay You the Retail Cost; or
 - 'Business Use' or 'Farm Use' are shown on the Certificate of Insurance, pay You the lesser of the sum insured for Your Vehicle and Retail Cost.

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

If Your Vehicle:

- is stolen, Your Vehicle becomes Our vehicle upon Us paying You on the basis that Your Vehicle has been stolen;
- is a Total Loss, We are entitled to claim the wreck if We pay You:
 - the Retail Cost; or
 - the Agreed Value if 'Agreed Value' is shown on the Certificate of Insurance
- is a Total Loss, You are entitled to the wreck if We pay You the sum insured (if an amount is shown for the sum insured), but if the sum insured is less than the Retail Cost, We deduct from what We pay the amount by which the sum insured plus the value of the wreck exceeds the Retail Cost;

- is stolen or is a Total Loss, all insurance ceases and You will not be entitled to any refund of premium. You will need to take out new insurance cover for Your replacement vehicle.

We regard Your Vehicle as stolen if it is not found within 2 weeks of Your reporting it as stolen to the police and the police have recorded it as so stolen.

Fire theft and legal liability and fire and theft only

If Your Vehicle is Accidentally damaged by fire, damaged by a thief or stolen in Australia during the Period of Insurance and 'Fire theft and legal liability' or 'Fire and theft only' are shown on the Certificate of Insurance, We may at Our option:

- repair the damage or pay You the reasonable cost of repairs at the time of the damage; or
- if Your Vehicle is stolen or is a Total Loss, pay You the sum insured up to the Retail Cost.

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

If Your Vehicle:

- is stolen, Your Vehicle becomes Our vehicle upon Us paying You the sum insured or Retail Cost;
- is a Total Loss, You are entitled to the wreck if We pay You the sum insured (if an amount is shown for the sum insured), but if the sum insured is less than the Retail Cost, We deduct from what We pay the amount by which the sum insured plus the value of the wreck exceeds the Retail Cost;
- is a Total Loss, We are entitled to claim the wreck if We pay You the Retail Cost;
- is stolen or is a Total Loss, all insurance ceases and You will not be entitled to any refund of premium. You will need to take out new insurance cover for Your replacement vehicle.

We regard Your Vehicle as stolen if it is not found within 2 weeks of Your reporting it as stolen to the police and the police have recorded it as so stolen.

New vehicle

We replace Your Vehicle with a new vehicle of a similar make and model or at Our option, pay You what it would cost to do so if:

- Your Vehicle is stolen or is a Total Loss as a result of an insured event; and
- 'Private Use' and 'Comprehensive' are shown on the Certificate of Insurance; and
- at the time of the theft or of the damage causing the Total Loss Your Vehicle's original registration was less than two years old and it was new or a demonstration model when You purchased it; and
- the odometer reading is 35,000 kilometres or less at the time of the theft or of the damage causing the Total Loss; and
- the Agreed Value (if 'Agreed Value' is shown on the Certificate of Insurance) is at least 80% of what it would cost to buy the new vehicle (excluding the cost of registration, stamp duty, transfer fees and insurance).

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

We regard Your Vehicle as stolen if it is not found within 2 weeks of Your reporting it as stolen to the police and the police have recorded it as so stolen.

If We pay You the cost of a new vehicle, We:

- calculate the amount We pay as if the vehicle is readily available locally; and
- do not include in the cost of the new vehicle registration, insurance or stamp duty.

If 'Agreed Value' is shown on the Certificate of Insurance and that Agreed Value is:

- more than what it would cost to buy the new vehicle; or
- less than 80% of what it would cost to buy the new vehicle,

then We will pay You the Agreed Value.

Please speak to Us if You want to insure tools which are not normally offered for sale with Your type of vehicle.

Our repair policy

We have established a network of partnered repairers. These repairers must meet Our stringent acceptance criteria which requires a high standard of repair and service.

When You use one of Our partnered repairers You do not need to shop around for quotes and We

will guarantee the quality of the workmanship and materials used in the repair.

You may choose Your own repairer, but if You do, We may require You to provide two quotes for the repair of Your Vehicle, including one from a repairer of Our choice.

If Your Vehicle is at Your chosen repairer and We want to obtain an alternative quote for repairs, We may arrange to move Your Vehicle to another repairer at Our expense.

If the repairer needs to engage the services of a specific specialist repairer and/or supplier that repairer may sublet some of the repair work to such specialist repairer or supplier.

If We authorise the repairs to Your Vehicle, We will guarantee the workmanship on the repairs authorised by Us for the life of Your Vehicle.

We will handle any complaint about the quality or timeliness of the work or conduct of the repairer under 'Our Complaints Handling Procedure' contained within the 'Important Information applying to all policies' section in this Plan.

Our parts policy

If We agree to repair Your Vehicle then We will use parts suitable for Your Vehicle's age and condition, as follows:

- in most circumstances new Original Equipment Manufacture (OEM) approved parts will be used if Your Vehicle is under three years old
- new and/or reusable non-mechanical or reconditioned OEM parts may be used in the following circumstances:
 - Your Vehicle is over three years old; and
 - it does not affect the safety or the structural integrity of Your Vehicle; and
 - it complies with the applicable Australian Design Rules and Your Vehicle's manufacturer's specifications
- for Windscreens, We use parts which are compliant with Australian Design Rules.

If We have paid or agreed to pay a claim under this policy and any part for Your Vehicle is unavailable in Australia, Our liability for the cost of freight that part to Australia will be limited to that arising from sea transportation only.

We will not pay an international air freight charge or an amount exceeding the manufacturer's list price for any part, unless the charge or amount is incurred with Our prior consent (which will not be unreasonably withheld).

Additional benefits – Private Use with 'Comprehensive' cover

You have these additional benefits if 'Private Use' and 'Comprehensive' are shown on the Certificate of Insurance for Your Vehicle.

You do not have these additional benefits if a trailer, motorised caravan, mobile or motor home or motor cycle is shown as Your Vehicle on the Certificate of Insurance.

AAA rating bonus

We give You 'AAA' rating when You have insured Your Vehicle with Us under a comprehensive cover for at least two consecutive years on a full No Claim Bonus and You have not made a claim for theft or an Accident involving that vehicle or a replacement vehicle where You are at fault.

If You have 'AAA' rating for Your Vehicle, You keep Your entitlement to a No Claim Bonus in connection with Your Vehicle if You make only one claim on this policy where You are at fault.

In addition, if Your Vehicle becomes unusable as a result of Accidental damage or theft during the Period of Insurance, We pay up to \$1,000 in total for the reasonable:

- costs You incur to obtain transport to Your home, to Your destination or to alternative accommodation; and
- rent You incur for alternative accommodation; and
- hire costs You incur for a temporary replacement vehicle of a similar type. We do not pay these vehicle hire costs if You are entitled to the additional benefit 'Hire costs' after Your Vehicle is stolen.

Automatic cover for replacement vehicle

If You replace Your Vehicle during the Period of Insurance, this policy will insure the replacement vehicle from its date of purchase until the end of that Period of Insurance if:

- You tell Us within 14 days of buying the replacement vehicle; and
- the value of the replacement vehicle (excluding the cost of registration, stamp duty, transfer fees and insurance) is not more than:
 - \$150,000 for any replacement vehicle except a caravan
 - \$50,000 for a caravan; and
- You pay the additional premium and accept any additional terms We require.

Hire costs

If Your Vehicle is stolen during the Period of Insurance, We pay up to \$1,000 towards the reasonable hire costs You incur for a temporary replacement vehicle of a similar type for up to 14 days or the date Your Vehicle is recovered in a useable and roadworthy condition, whichever is earlier. We do not pay for fuel, running costs or other charges.

Insurance of a hired or borrowed vehicle

If Your Vehicle is stolen or damaged and We have paid or agreed to pay a claim for it under this policy, We also insure a vehicle that You hire or borrow as a temporary replacement for up to 14 days from the date of the Accidental damage or theft, against Accidental damage or theft. We only pay a claim in respect of that vehicle if We would have paid a claim under this policy if it had been Your Vehicle.

We pay any claim on the same terms and conditions as We would for Your Vehicle, up to the:

- Agreed Value if 'Agreed Value' is shown on the Certificate of Insurance; or
- Retail Cost if 'Retail Cost' is shown on the Certificate of Insurance.

Personal property

We pay up to \$500 for Your personal property contained in the boot or cab of Your Vehicle if during the Period of Insurance it is:

- stolen – but only if Your Vehicle was securely locked at the time of the theft
- Accidentally damaged by fire, collision or overturning of Your Vehicle.

We do not pay for loss of or damage to:

- cash; or
- goods connected with any trade, business or occupation.

Trailer

We pay up to \$1,000 for damage or loss of a two-wheel box trailer You own if it is Accidentally damaged or stolen during the Period of Insurance while attached to Your Vehicle.

You do not get this benefit if the trailer is shown as Your Vehicle on the Certificate of Insurance.

This benefit is otherwise subject to the terms of this policy.

Additional benefits – all uses with 'Comprehensive' cover

You have these additional benefits if 'Comprehensive' is shown on the Certificate of Insurance for Your Vehicle.

Emergency repairs and towing

If We have paid or agreed to pay a claim for damage to Your Vehicle, We also pay up to \$5,000 towards the reasonable cost You incur to have:

- Your Vehicle towed from the place at which it was damaged to the nearest safe or secure place or any other place that We have approved; and
- emergency repairs carried out on Your Vehicle to make it safe and roadworthy,

as a result of that damage.

General average/salvage costs

This policy is extended to insure You for general average or salvage which You are charged for a loss occurring during the Period of Insurance in relation to a ship transporting Your Vehicle by sea within Australian territorial waters.

No Claim Bonus

A No Claim Bonus is a discount that can be earned on eligible Comprehensive policies in recognition of a claims-free record.

Your current Certificate of Insurance will show any No Claim Bonus and any benefits that apply to Your Motor Vehicle policy.

The No Claim Bonus is calculated on each Vehicle insured under Your Motor Vehicle policy, unless Your claims history does not entitle You to a No Claim Bonus.

We calculate Your No Claim Bonus rating based on:

- Your claims history, and
- number of years You have been licenced for.

Each year at renewal, Your Vehicle's No Claim Bonus is re-calculated.

If You make a claim in respect of a Vehicle and We are satisfied that You are 'at-fault', Your No Claim Bonus in respect of that Vehicle will be reduced when You renew Your Motor Vehicle policy.

Your No Claim Bonus rating for a Vehicle will increase after each claim free year You have for that Vehicle until You reach Our maximum Rating 1.

You do not have to pay an excess on a claim and You do not lose Your No Claim Bonus if Your Vehicle is Accidentally damaged and We are satisfied the driver of Your Vehicle was not at fault and You provide Us with the registration number of the other vehicle and the name and contact details of its owner or driver.

In order for Us to resolve whether You or another person was at fault, We may request additional information – for example witness statements or photographs – and consider any laws, bylaws or rules that may apply to the circumstances.

The No Claim Bonus discount may not apply to the premium for Optional benefits, caravan annexe and contents cover, some Additional benefits or any additional premium paid, if applicable, to include or amend cover for any dangerous goods extension, windscreen excess removal, motor standard excess removal, private motor standard excess removal, motorcycle or caravan standard excess removal, that may be available under this Motor Vehicle policy.

Recovery costs

If Your Vehicle is stolen during the Period of Insurance and recovered within two weeks of it being stolen, We pay up to \$500 towards the cost of returning Your Vehicle to the place where You usually keep it.

Replacement keys and locks

If during the Period of Insurance:

- a key to Your Vehicle is stolen; or
- a lock barrel of Your Vehicle is damaged by someone in the course of them stealing or attempting to steal Your Vehicle,

We pay up to \$1,000 towards the reasonable cost You incur to replace a damaged key and lock barrel.

Signwriting costs

If Your Vehicle is:

- stolen and We have paid or agreed to pay a claim for it under this policy, We pay up to \$2,000 towards the cost You reasonably incur to apply signwriting to Your replacement vehicle to the same specification as any signwriting as originally on Your Vehicle
- damaged and We have paid or agreed to pay a claim for the damage under this policy, We pay up to \$2,000 towards the cost You reasonably incur to redo any signwriting on Your Vehicle which was damaged.

Windscreen bonus

You do not lose Your No Claim Bonus for a broken Windscreen claim in respect of a Vehicle if:

- the Windscreen was broken by Accident; and
- the broken Windscreen is the only damage to Your Vehicle arising out of the Accident; and
- this is Your first claim for a Windscreen damaged during the Period of Insurance.

Where damage occurs that includes damage to Windscreen rain sensors or heaters which require replacement or recalibration, then damage to Windscreen is not the only damage and the Windscreen bonus does not apply.

Optional benefits for Private Use with 'Comprehensive' cover

Named drivers only

Depending on Your circumstances, We may offer to reduce Your premium if You take reduced insurance cover for Accidental damage to Your Vehicle as described in this benefit. You only have this benefit if We offer You this benefit and You accept Our offer.

If 'Named drivers only' is shown on the Certificate of Insurance, You are not insured for Accidental damage to Your Vehicle unless the person who was driving or in charge of Your Vehicle when the damage occurred:

- is named on the Certificate of Insurance as a 'Regular driver' or 'Additional driver' of Your Vehicle
- was not at fault

- was driving Your Vehicle to seek emergency medical treatment for a person in Your Vehicle
- was driving Your Vehicle in their capacity as a car park attendant
- was driving Your Vehicle in connection with repairing, servicing or testing it for reward.

This benefit is otherwise subject to the terms of this policy.

No Claim Bonus Protection

If Your Motor Vehicle policy is eligible for the 'No Claim Bonus Protection' option, it will be shown on the Certificate of Insurance as an optional benefit You have selected. You retain Your entitlement to a No Claim Bonus in connection with Your Vehicle if You make only one claim in respect of that Vehicle where You are at fault for the loss or damage.

You are only entitled to this benefit if:

- Your No Claim Bonus is at least 60% and You do not yet have AAA rating bonus; and
- You pay Us the premium We require for this benefit.

Optional benefit for 'Comprehensive' cover - all uses

Hire car benefit

If 'Hire Car Benefit' is shown on the Certificate of Insurance and during the Period of Insurance Your Vehicle becomes unusable as a result of Accidental damage, We will pay up to \$500 towards the cost to hire a vehicle of a similar type for the earlier of 14 days from the time Your Vehicle becomes unusable, or until Your Vehicle is repaired. We do not pay for fuel, running costs or other charges.

Caravan annexe and contents

You are insured against damage to:

- Your caravan annexe if 'Annexe' is shown on the Certificate of Insurance
- Your Caravan Contents if 'Contents' is shown on the Certificate of Insurance.

You are only insured if the damage is directly caused by:

- fire, explosion, lightning, earthquake, riot or civil commotion, vandalism or thieves

- collision or overturning of the hauling vehicle or caravan, that occurs in Australia during the Period of Insurance.

If 'Contents' is shown on the Certificate of Insurance You are also insured for theft of Your Caravan Contents from within Your caravan during the Period of Insurance following forcible entry to it.

For damage to or theft of Your Caravan Contents, We pay the amount shown in the third column for the type of contents shown in the first column of the table in Our Standard home policy on pages 68 to 70 of this Plan.

We pay up to the sum insured shown on the Certificate of Insurance for:

- 'Annexe' for damage to Your caravan annexe
- 'Contents' for damage to or theft of Your Caravan Contents.

Section 2: the insurance for legal liability

If 'Comprehensive', or 'Fire theft and legal liability', or 'Legal liability' are shown on the Certificate of Insurance, this policy insures You, and anyone driving or in charge of Your Vehicle with Your permission, against legal liability to pay compensation for Personal Injury or Damage to Property which:

- happens in Australia during the Period of Insurance; and
- is directly caused by, or by the use of, Your Vehicle; and
- arises out of an Occurrence.

What is not insured for legal liability

This policy does not insure You against liability:

1 for Personal Injury to:

- You or any member of Your Family or a person driving or in charge of Your Vehicle or any relative of that person
- a person living permanently with a person insured by this policy
- an Employee, or a worker, agent, contractor or subcontractor employed or engaged by any Person insured by this policy.

2 for Damage to Property, Personal Injury or a cost incurred by or on behalf of a government authority in a clean-up, directly or indirectly caused by or arising out of:

- the transport of Dangerous Goods in a Placard Load or on any vehicle or in or on any vehicle attached to or towing any vehicle from one place to another
- the loading or unloading of Dangerous Goods in a Placard Load

3 for Damage to Property or Personal Injury directly or indirectly caused by or arising out of:

- the weight of Your Vehicle and its load exceeding any lawful requirements or advisory or warning signs
- tunnelling, underpinning, vibration or interference with the support of land, buildings or property.

4 for loss of or damage to underground services or underground property unless, when the loss or damage occurred, the person who caused the loss or damage:

- could readily see the underground service or underground property; or
- could not readily see the underground service or underground property and was not aware (and could not reasonably have been aware) of the exact location of the underground service or underground property.

For example, Telstra advise that they are a member of the 'Dial Before You Dig' service which enables people to find out about various underground services in the area in which they intend to dig. We will rely on this exclusion if You damage a Telstra or other underground service without having utilised the 'Dial Before You Dig' service to check the location of the underground services.

5 for Personal Injury if Your Vehicle is registered or the Person making the claim on this policy is required by law to be insured against that liability under another policy of insurance

6 arising pursuant to or in connection with an agreement in which You expressly take on

a legal liability which would not have been imposed if the agreement had not been made

7 for loss of or damage to property belonging to a Person insured under this policy

8 for loss of or damage to the load or contents of:

- Your Vehicle
- any vehicle towed by Your Vehicle

9 for loss or damage to, or directly or indirectly caused by or arising out of, the use of, a trailer if, at the time of the loss or damage, the trailer is:

- connected to Your Vehicle and is in Your custody, care or control; and
- not owned by You,

unless 'Non-owned trailer liability' is shown on the Certificate of Insurance.

What We pay for legal liability

We pay up to the limit of indemnity shown on the Certificate of Insurance as the 'Legal liability limit'. We pay up to this amount for all claims (including all costs and expenses) arising from the one Occurrence or series of Occurrences.

Other policies

The limits described are the maximum We pay under this policy and under any other policies We issue to You in this Plan even though You may have a claim under another policy.

Additional benefits for legal liability

Damage to Your Vehicle by an uninsured vehicle

If Your Vehicle is involved in a collision with another vehicle during the Period of Insurance, We will pay for the following up to an aggregate total amount of \$5,000:

- for the repair of damage to Your Vehicle if it is not a Total Loss
- where Your Vehicle is a Total Loss, provided We are entitled to claim the wreck and any payment does not exceed the Retail Cost where this amount is less than \$5,000
- the cost of towing Your Vehicle to the nearest safe or secure place.

We will only pay this additional benefit for legal liability if:

- 'Fire theft and legal liability' or 'Legal liability' together with 'Private Use' are shown on the Certificate of Insurance for Your Vehicle; and
- We are satisfied the driver of Your Vehicle was not to blame for the collision and You supply Us with the registration number of the other vehicle and the name and address of its owner or driver; and
- neither the owner nor the driver of the other vehicle is insured against their liability for the damage to Your Vehicle.

In order for Us to resolve whether You or another person was at fault, We may request additional information – for example witness statements or photographs – and consider any laws, bylaws or rules that may apply to the claim circumstances.

Other vehicles

We treat a vehicle You do not own but which is in Your legal possession, custody or control as Your Vehicle if You are using it as a temporary replacement for Your Vehicle because Your Vehicle is not in a useable condition at the time.

You have this additional benefit for legal liability if only one temporary replacement vehicle is being used at any one time in place of Your Vehicle.

Your employer or principal

This policy is extended to insure Your employer or principal against their legal liability directly caused by Your use of Your Vehicle for their business. You do not have this benefit if Your Vehicle belongs to Your employer or principal.

We only pay this benefit if We agree to indemnify You against Your legal liability incurred while You are using Your Vehicle for their business.

This benefit is otherwise subject to the terms of this policy.

Special conditions which apply to sections 1 and 2 of this policy – excesses

The excesses below apply to sections 1 and 2 of this policy.

If more than one of these excesses is applicable, then You will be required to pay all of them and also any other applicable excess shown on the Certificate of Insurance.

Excesses for young, inexperienced and other drivers

This excess is in addition to the other excesses described in this special condition.

In calculating Your premium, We take into account the age and experience of the people who will be driving, operating and in charge of Your Vehicle.

The amount of this excess is shown on the Certificate of Insurance as the 'Driver excess'. A driver excess is payable if at the time of the loss or damage or Occurrence the person driving or operating or in charge of Your Vehicle, or driving or operating or in charge of a vehicle towing Your caravan or trailer:

- is:
 - under 19 years of age
 - 19 - 20 years of age
 - 21 - 24 years of age
 - 25 years of age or more but has not held an Australian driver's licence for two or more years for the type of vehicle being driven at the time of the event.
- has held a licence for less than two consecutive years following re-issue or reinstatement of a driving licence after its cancellation or suspension.

You do not have to pay a 'Driver excess' if:

- Your Vehicle is stolen or damaged as a result of theft or attempted theft by anyone other than a member of Your Family
- You are entitled to the additional benefit 'No Claim Bonus' described on page 87
- Your claim is only for damage to a Windscreen
- Your claim is only for additional benefit 'Damage to Your Vehicle by an uninsured vehicle' described on page 89.

Vehicle excess

The amount of this excess is shown as a 'Vehicle excess' on the Certificate of Insurance. You will be required to pay such amount on a claim in connection

with the vehicle insured by this policy or any vehicle being used temporarily as a replacement for it.

You do not have to pay the vehicle excess if:

- You are entitled to the additional benefit 'No Claim Bonus' described on page 87
- it relates to a claim for the additional benefit 'Damage to Your Vehicle by an uninsured vehicle' described on page 89
- the claim against You is for damage to an underground service or underground property or loss as a result of the damage and You are not claiming for damage to Your Vehicle.

Tipping excess

This excess is in addition to the other excesses described in these special conditions and regardless of whether it is mentioned on the Certificate of Insurance.

If Your Vehicle has tipping mechanisms and damage occurs or liability is incurred which is covered by this policy whilst the tipping mechanism is being operated and was fully or partially elevated, then all excesses applicable are doubled in monetary amount.

Underground excess

If 'Underground excess' is shown on the Certificate of Insurance, You will be required to pay that excess for any claim arising out of or in connection with loss of or damage to an underground service or underground property or any losses as a result of loss of or damage to an underground service or underground property.

Vehicles exceeding 10 tonne

If 'Business Use' is shown on the Certificate of Insurance and Your Vehicle is a prime mover or a truck with a carrying capacity of more than 10 tonne then all excesses applicable are doubled in monetary amount for claims for the theft of Your Vehicle or damage to Your Vehicle when that theft is from, or the damage occurs at, a location outside the 'Radius of Operations' shown on the Certificate of Insurance and measured from the location shown on the Certificate of Insurance.

Special definitions of words used in this policy

The definitions below apply only to this policy and override all other definitions including the 'General definitions applying to words We use in this Plan'.

Agreed Value means the amount shown on the Certificate of Insurance for Your Vehicle as 'Agreed Value'.

Business Use means:

- use in connection with Your occupation or business; and
- use for social, domestic and pleasure purposes.

Business Use includes Your Vehicle being used:

- in connection with repairs, servicing and testing
- to teach someone to drive for free
- in a demonstration while selling Your Vehicle.

 - the theft or attempted theft involved the damage or destruction of the device
- theft of or damage to Your Boat directly caused by theft or attempted theft following forcible entry to the building where Your Boat is kept (but only if the building is locked).

- any moorings.

2 damage directly caused by:

- mechanical, structural, electronic, hydraulic or electrical breakdown or failure.

What We pay if Your Boat is damaged or stolen

If Your Boat is damaged or stolen, We may at Our option:

- repair or replace it; or
- pay You the reasonable cost to repair or replace it at the time of the damage or theft.

We pay the Retail Cost as New up to the sum insured shown on the Certificate of Insurance.

Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

We also pay You up to 50% of the sum insured for the hull for the total of:

- any expense You reasonably incur to avoid or limit a loss, damage or Salvage Charges; and
- Salvage Charges You incur.

We do not pay for an international freight charge or an amount exceeding the manufacturer's list price for a part unless the charge or price is incurred with Our consent (which will not be unreasonably withheld).

Total loss

If We consider Your Boat is a total loss, We pay:

- the Retail Cost as New if it is less than 3 years old from the date of manufacture and the sum insured shown on the Certificate of Insurance is at least 80% of the Retail Cost as New; or
- the Retail Cost up to the sum insured shown on the Certificate of Insurance if Your Boat is 3 years or older from the date of manufacture.

We are entitled to claim the wreck if We pay at least the Retail Cost.

We regard Your Boat as a total loss if the cost of repairs plus salvage value equals or exceeds the sum insured or Retail Cost or it is not found within 2 weeks of Your reporting it as stolen to the police.

When You are deciding on a sum insured for the hull, remember that it needs to be enough to cover the permanent attachments to the hull.

We only pay a claim for an item of equipment and accessories not shown on the Certificate of Insurance if We would have paid the claim if the item had been shown on the Certificate of Insurance.

If You were not the driver or the person piloting or in charge of Your Boat at the time of the loss, damage or Occurrence, We will not rely on the exclusion in this bullet point if You can satisfy Us that at the time of the loss, damage or Occurrence You did not know, and could not

reasonably have known, that the driver or person operating or in charge of Your Boat:

- *did not have the required licence or ticket; or*
- *was or might be under the influence of alcohol or a drug.*

If You receive that compensation after We have paid You under this policy, You have to refund what We have paid You to the extent of the other compensation You receive.
