Changes to the PDS

This Supplementary Product Disclosure Statement (SPDS) is an update to the most recent WFI Product Disclosure Statement and Policy Booklet (PDS). This SPDS should be read with your PDS. These documents together with your Certificate of Insurance make up the terms and conditions of your insurance contract with us.

This SPDS was prepared on 1 November 2018 and applies to policies with a commencement date or a renewal effective date on or after 1 December 2018.

Change 1: Important Information

External complaints are now administered by the Australian Financial Complaints Authority (AFCA). AFCA is independent and administers the external segment of the general insurance industry's alternative dispute resolution scheme, approved by the Australian Securities and Investments Commission.

Our Complaints Handling Procedures

All references to the Financial Ombudsman Service Australia (FOS) in the PDS are to be replaced with Australian Financial Complaints Authority (AFCA). The AFCA contact Telephone, Website and Email details throughout the PDS, are to be replaced by the following AFCA contact details:

Online: www.afca.org.au

Email: info@afca.org.au

Phone: 1800 931 678 (free call)

Mail: Australian Financial Complaints Authority
GPO Box 3, Melbourne VIC 3001.

Change 2: Motor Vehicle Policy

Special definitions of words used in this policy (pages 15 & 85)

The definition of '*Total Loss*' has been deleted and replaced with the following wording:

Total Loss means where We decide Your Vehicle is a total loss. This will usually be when the cost to repair Your Vehicle, plus any amount We can obtain for Your Vehicle's salvage; is more than the Retail Cost.

RURAL PLAN

Product Disclosure Statement

Date of preparation: 1 August 2017

Good people to know.

How the Rural Plan works

Date of preparation: 1 August 2017

About the insurer and WFI

The insurer for this Rural Plan is Insurance Australia Limited (ABN 11 000 016 722) trading as WFI (WFI) whose contact details are:

Telephone: 1300 934 934

Post: Locked Bag 1,
Bassendean DC WA 6942

Email: info@wfi.com.au

WFI is an Australian Financial Services Licensee (AFSL No. 227681) authorised to issue, vary and cancel general insurance products and provide general financial product advice in relation to general insurance.

The Rural Plan consists of 16 different policies You can choose from, covering a wide range of risks.

This approach gives You great flexibility as You can arrange Your insurance to meet Your particular needs.

It also means that if Your circumstances change and You need more extensive insurance, it is easy for You to add another of the policies to Your Plan.

Insurance against liability for workers' compensation is compulsory for employers throughout Australia. Apart from the Domestic workers policy (which We only offer in Western Australia), this Plan does not insure Your liability for workers' compensation, nor does it include insurance cover for a range of other risks You might want to insure or protect Yourself against.

You need to determine whether this is the case and make sure You are appropriately protected.

Any advice We or Our representatives provide is general advice only and does not take into account Your personal objectives, financial circumstances or needs. Before You decide to acquire any of the policies, You should carefully consider the appropriateness of the policies having regard to Your objectives, financial situation and needs.

Understanding the significant features and benefits

To properly understand the significant features and benefits of each of the policies, You need to:

- read the:
 - Important information (pages 4 to 9)
 - General conditions (page 10)
 - General exclusions (pages 11 and 12)
 - General definitions (pages 13 to 15)
- which apply to all policies; and
- read the policy wording – it tells You:
 - what the policy insures
 - what the policy does not insure
 - what We pay for a claim
 - any additional benefits We provide
 - any optional benefits We offer
 - any special conditions We apply
 - any special meanings We apply to words used in that policy.

There is an index on the front of each of the policies for easy reference.

Our words

To make sure You can readily understand Your rights and obligations, We have written this Plan in plain English. For easy reference, We have capitalised the first letter of each word which We define in Our 'General definitions' (which apply to all policies), and in Our 'Special definitions' found at the end of each policy (which apply only to words used in that particular policy). Where a word is defined in both the 'General definitions' and in the 'Special definitions', the 'Special definitions' meaning will take precedence for that policy only.

Words capitalised in headings do not have definitions.

All of the other words in this Plan have the meanings set out in the Macquarie Dictionary (current edition) so that You can easily find out what they mean.

A reference to the singular includes the plural and vice versa, unless the context otherwise requires.

Applying for insurance cover

You must apply to Us for insurance cover and meet Our relevant eligibility criteria before cover will be provided. It is also important You understand how We manage Your personal information which We tell You about in Our 'Privacy' information on pages 8 and 9.

Where We have agreed to issue You with insurance, We will:

- identify the policies You want and matters particular to them (e.g. the property You want to cover, the limits You may want for certain covers, any excesses that may apply and any variations required to the standard terms).

We pay up to the sum insured or other limits specified in relation to the policies and their covers. It is important that You make sure these amounts suit Your needs. If You do not do this some of Your loss might not be insured.

- identify the Period of Insurance during which Your policies will operate.
- inform You what policies We are able to offer You and the total premium You need to pay for Your policies (see 'The cost of Your insurance' on this page).

The above details are recorded in the Certificate of Insurance We issue to You. You need to read it carefully to ensure You are happy with the cover provided and check that the details are correct. You should keep the Certificate of Insurance and the policy documents in a safe place.

The agreement between You and Us

We only provide You with insurance under those policies for which We issue You with a Certificate of Insurance and only for the Period of Insurance shown on the Certificate of Insurance. The insurance provided under any of Our policies is also subject to Our General conditions and General exclusions, together with provisions shown on the Certificate of Insurance issued to You.

Subject to what We tell You on pages 5 and 6 about excesses, if a provision shown on the Certificate of Insurance is inconsistent with a provision contained in the policy to which it relates then, to the extent of the inconsistency, the provision shown on the Certificate of Insurance prevails.

The cost of Your insurance

We determine the base premium by considering a number of criteria.

When You apply for insurance cover We ask You to provide information about Your personal risk situation relevant to each policy, such as:

- the type of property being insured and its size, construction, use and where it is located; and
- the type(s) and amount(s) of cover You require, excess levels and the period for which You want the cover (where this is optional); and
- Your relevant claims and insurance experience.

Factors that increase the risk to Us generally increase the premium (e.g. higher sums insured or a high claims experience) and those that lower the risk generally reduce the premium (e.g. lower sums insured, higher excesses or low claims experience). If You have any queries about this You can ask Us when You apply for cover.

If You pay for Your policy by instalments, Your total premium will be higher than if You pay annually.

Your premium also includes amounts that take into account Our obligation (actual or in some cases estimated) to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to Your policy(ies). We show the amounts on the Certificate of Insurance.

Where We are required to pay an estimated amount (e.g. for a Fire Services Levy) based on criteria set by the government, We allocate to the policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular year but We will not adjust Your premium because of this. You can obtain further information on Our website www.wfi.com.au.

You can pay the premium annually or by instalment each fortnight, month, quarter or half-year in advance. When You apply for insurance We tell You how and when the premium needs to be paid. It is a term of Your policy that You pay the premium to Us by the times required by Us.

Excess (Your contribution)

An excess is the first part of any claim on any of the policies which You must pay. The amount We must pay under any of the policies is reduced by the amount of the excess. You only have to pay an excess if it is mentioned in the policy You have taken out or shown on the Certificate of Insurance.

Where the amount of an excess for an event mentioned in a policy is different to the amount of an excess shown on the Certificate of Insurance for that same event for the same policy, You must pay the higher of the excesses.

Except in the case of Our Motor vehicle policy, You only have to pay one excess on claims You make under a number of the policies in this Plan that arise out of the one event, being the highest one payable under the policies.

The following examples are only a guide as to how an excess or excesses might be calculated in any particular set of circumstances. The amount(s) of the excess(es) in the examples are for ease of calculation. Read the policies and Your Certificate of Insurance for the amount(s) of the excess(es) in Your circumstance.

Example of a one event excess

An insured event happens that damages Your home, furniture and carpets insured under Your Classic home policy and the digital camera specified as insured under Your Personal valuables policy. The Certificate of Insurance shows an excess for that event of:

- \$250 on Your Classic home policy
- \$75 on Your Personal valuables policy

You claim for all damage. You are only required to pay one excess of \$250 because that excess is the highest one of all the policies and all of the damage arose out of the one event.

Example of when more than one excess will apply

Under the Motor vehicle policy, You are required to pay more than one excess in the circumstances mentioned in the policy. We refer You to pages 83 and 84 of this Plan where We tell You more about the different excesses that apply.

The driver of Your comprehensively insured car is 20 years of age and is involved in an at fault Accident which causes damage to Your car. The Certificate of Insurance for Your Motor vehicle policy covering the car shows an excess of \$400 and an excess of \$700 for young drivers 19-20 years of age. You are therefore required to pay an excess of \$1,100, being the excess of \$400 plus the excess of \$700 as the person driving, operating or in charge of the car was 19-20 years of age.

Sometimes We introduce or increase an existing excess on renewal of any of the policies. This might be done on an individual person's policies or those covering risks at certain locations or over all locations. We generally do this because of rising claim numbers and costs and to

minimise any increase in premium that would otherwise be required to cover those rising claim numbers and costs.

Utmost good faith

The law requires each of us to act towards the other with utmost good faith (fairly, openly and honestly) in the performance of the policy and in the making and handling of claims under the policy.

Jurisdiction

The policies in this Plan are governed by and will be construed in accordance with the laws of Australia and the parties agree to submit to the jurisdiction of the courts of Australia.

Goods and Services Tax (GST)

The amount of premium payable by You for the policies includes an amount on account of the GST on the premium. All amounts insured by the policies are in accordance with the advice You have given to Us regarding Your GST status and the GST status of items to be insured. We will not be liable to pay any GST, or any fine, penalty or charge that You are liable for arising out of Your misrepresentation of, or failure to disclose, Your proper input tax credit entitlement on the premium relating to the policies. In respect of Your policies with Us where You are registered for GST purposes, You should calculate Your proposed sums insured with reference to the GST status of each item of property to be insured.

Depending on the GST status of each item of property to be insured, the sums insured may or may not include a GST component. An amount for GST should only be included in the sum insured if the item of property to be insured is not used 100% for business use. All items of property used 100% for business use and for which You are or would be entitled to a full input tax credit should be insured on a GST exclusive basis.

This outline of the effect of the GST on Your policies is for general information only. You should not rely on this information without first seeking expert advice on the application of the GST to Your particular circumstances.

How GST affects claim payments

Where We insure Your property

If We arrange to replace, repair or reinstate an item which is the subject of a claim, We will pay the cost to replace, reinstate or repair the item inclusive of GST. However, We will not replace, reinstate or repair an item where the cost (inclusive of GST) to Us to do so will exceed the amount of the relevant sum insured or other limit of insurance cover in the policies that apply to the item.

If We settle Your claim by making a payment to You, or on Your behalf, Your GST status and the GST status of the property which is the subject of the claim, will determine the amount We pay. When You are:

- not registered for GST, the amount We pay is inclusive of any relevant GST component.

The maximum amount We pay is the sum insured or other limit of insurance cover inclusive of any relevant GST component.

- registered for GST and the property which is the subject of the claim is used 100% for business use and is property for which You are or would be entitled to a full input tax credit, the amount We pay is exclusive of any relevant GST component, including, but not limited to, any input tax credit to which You are entitled for any acquisition which is relevant to Your claim, or to which You would have been entitled were You to have made a relevant acquisition.

The maximum amount We pay is the sum insured or other limit of insurance cover exclusive of any relevant GST component.

- registered for GST and the property which is the subject of the claim is used 100% for personal use, the amount We pay is inclusive of any relevant GST component.

The maximum amount We pay is the sum insured or other limit of insurance cover inclusive of any relevant GST component.

- registered for GST and the property which is the subject of the claim is used for business and personal use, the amount We pay is inclusive of any relevant GST component with reference to the percentage of personal use and exclusive of any relevant GST component with reference to the percentage of

business use of the item that is the subject of the claim.

The maximum amount We pay is the sum insured or other limit of insurance cover inclusive or exclusive of GST as the case may be.

You must advise us of Your correct entitlement to an input tax credit on Your premium and the correct entitlement to an input tax credit on each item of property to be insured. Should the item of property which is the subject of the claim be used for both personal and business use, any amounts We pay will be determined in accordance with the percentage of personal and business use.

Any GST liability arising from Your incorrect advice is payable by You.

Where We insure Your liability to third parties

We pay up to the limit of indemnity shown on the Certificate of Insurance inclusive of GST.

Terrorism Insurance Act 2003 (Cth)

These policies exclude cover for losses as a result of an Act of Terrorism.

In the event that Damage to Property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then You may be afforded protection within the limits of indemnity of this policy by virtue of the *Terrorism Insurance Act 2003 (Cth)*. The operation of this Act may also serve to reduce the settlement of Your loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced then this will be at the direction of the Minister.

A more detailed explanation of the operation of the *Terrorism Insurance Act 2003 (Cth)* can be obtained at www.arpc.gov.au

Dishonest claims

If You make a dishonest claim, We can refuse to pay it. We may also cancel the policy.

Keep up to date records of insured property

To help Us to process any claim You may have, make sure You keep a record or evidence of ownership, value and detailed description of any insured property in a safe place. We also recommend You keep Your valuations up to date.

Changing the terms of any of Your policies

You may ask Us to change a term of any of Your policies. If We agree, We will confirm the change in writing.

Your cooling-off right

If You wish to reconsider Your decision to insure with Us, please contact Us to discuss Your concern. If You decide not to proceed, You may cancel Your policies by notifying Us in writing within 30 days of You receiving the Certificate of Insurance that You wish to do this. If You do this and You have not made a claim and nothing has happened which would entitle You to make a claim, We will refund the premium You paid to Us.

You still have cancellation rights after this cooling-off period ends and these rights are set out below in 'When You can cancel'.

When You can cancel

You can cancel a policy at any time by writing to Us requesting cancellation. If You cancel, other than under 'Your cooling-off right', We refund the premium less an amount which covers the period for which You were insured, reasonable administrative costs relating to the issue and cancellation of the policy and any government taxes or duties We cannot recover.

If You pay Your premium by instalment, We will deduct any unpaid instalments up to the date of cancellation. We will not deduct any further instalments due after the date of cancellation.

However, if You have made a claim or are entitled to make one under the policy:

- there is no return of premium for any unused portion; and
- We may deduct from any claim payment premium already refunded to You; and
- if the policy is paid by instalments, all the remaining instalments for the Period of Insurance are payable as if the policy had not been cancelled.

We do not refund the premium if the Certificate of Insurance specifically says there is no refund of premium.

When We can cancel

We may cancel a policy as allowed by the *Insurance Contracts Act 1984 (Cth)*. We give You a notice in writing.

If We cancel and You paid an annual premium, We will refund the premium less an amount to cover the period for which You were insured.

If We cancel and You pay Your premium by instalments, We will deduct any unpaid instalments up to the date of cancellation. We will not deduct any further instalments due after the date of cancellation.

Instalment policies

Premium payment

You can pay Your premium in fortnightly, monthly, quarterly or half-yearly instalments. You can pay by direct debit from an account or credit card that You nominate.

If Your policy is paid by instalments, You authorise us to deduct amounts by direct debit from the account or credit card You have nominated to pay instalments. This includes deduction of any unpaid instalments and remaining instalments in the circumstances specified in this PDS. You must ensure that You have the authority to use the nominated account or credit card and it is Your responsibility to ensure that sufficient funds are in the nominated account or credit card to meet each instalment.

Consequences of an unpaid instalment

An unpaid instalment is an instalment that is due but cannot be deducted from Your nominated account or credit card. This may occur where an instalment payment is dishonoured, rejected, not received or otherwise unable to be deducted from Your nominated account or credit card.

If You make a claim and there are one or more unpaid instalments, We will either deduct the outstanding amount from Your nominated account or credit card or from the amount We pay to You for Your claim.

If an instalment remains unpaid for more than one month after the instalment was due to be paid, then We will cancel Your policy. We will give You notice in writing of this cancellation.

Remaining instalments

If Your insurance ceases as a result of a claim, such as a total loss, then We will deduct from the amount We pay to You for Your claim the total of the remaining instalments for the Period of Insurance as if the policy had continued.

If You cancel Your policy and have made a claim or are entitled to make a claim under the policy, then all the remaining instalments for the Period of Insurance are payable as if the policy had not been cancelled.

If You appoint a broker, then all the remaining instalments for the Period of Insurance are payable as different arrangements apply.

At renewal

Instalments on renewed policies will continue to be deducted at the same frequency and from the same nominated account or credit card. The instalment amount will be different as it will be based on the premium for the renewed policy.

Changing Your payment details

If You want to change Your nominated account or credit card, You must contact Us at least 14 days before Your next instalment is due.

Code of Practice

We have adopted the General Insurance Code of Practice developed by the Insurance Council of Australia. The Code is a self-regulatory code for general insurers in Australia. We embrace the objectives of the Code to raise standards of practice and service in the general insurance industry.

If a Farm Building is destroyed, We pay the cost to erect a new building to the same design and specification as the destroyed Farm Building. Or, at Our option, We pay You the reasonable cost to do so.

If an item of Other Property (but not Your farm produce) is destroyed, We pay to replace it as new at the time it was destroyed. Or, at Our option, We pay You the reasonable cost to do so.

We only pay up to the sum insured shown on the Certificate of Insurance for the Farm Building and Other Property damaged or destroyed for all claims arising out of the one event.

Farm produce

If Your farm produce is damaged or destroyed, We pay what You would have received from the sale of Your farm produce at the time of the damage or destruction, less any residual market value of the farm produce immediately following the damage or destruction.

Farm loss of income policy

This policy insures You against Your reduction in Gross Income as a direct consequence of physical damage to Farm Property or death of Livestock.

We calculate Your entitlements under the policy in accordance with the formula shown in the policy.

You only have this policy if:

- You have selected Our Farm property damage policy or Our Farm general property policy; and*
- the risk shown on the Certificate of Insurance is 'Farm loss of income'.*

The General conditions on page 10 and the General exclusions on pages 11 and 12 apply to this policy. The General definitions on pages 13 - 15 apply to words used in this policy.

What You are insured against

This policy insures You against reduction of Gross Income to the Farm Business as a direct consequence of:

- physical damage to Farm Property at the Farm Premises during the Period of Insurance, but only if:
 - We have paid a claim for that damage under Our Farm property damage policy or Our Farm general property policy; or
 - that damage is to a motor vehicle You insure under Our Motor vehicle policy for 'Farm Use' with 'Comprehensive, fire theft and legal liability' or 'Fire and theft only' cover and We would have paid a claim for it under Our Farm property damage policy if You had insured the vehicle under that policy
- death of Livestock during the Period of Insurance, but only if:
 - We have paid a claim for the death of the Livestock under Our Farm property damage policy
 - We have paid a claim for the death of the Livestock under Our Livestock policy (which is not contained in this Plan)
 - the Livestock was agisted at the Farm Premises when it died and We would have paid a claim for its death under Our Farm property damage policy if You had owned the Livestock and insured it under Our Farm property damage policy in this Plan.

You are only insured under this policy if the reduction of Gross Income arising out of the one event is \$1,500 or more.

What is not insured

This policy does not insure You against:

- 1 any reduction of Gross Income which occurs after:**
 - You formally decide to close or discontinue the Farm Business or that part of the Farm Business directly affected by the damage to Farm Property or death of Livestock which gave rise to the claim under this policy
 - a receiver or liquidator is appointed to carry on the Farm Business or that part of the Farm

Business directly affected by the damage to Farm Property or death of Livestock which gave rise to the claim under this policy

- the commencement of the winding up of the Farm Business or that part of the Farm Business directly affected by the damage to Farm Property or death of Livestock which gave rise to the claim under this policy
 - 12 months following the date on which the damage to Farm Property or the death of the Livestock occurred.
- 2 any loss You suffer as a result of breach of contract.**
 - 3 loss of the amount You would have received if You had sold (or sold at a higher price) the Farm Property which was damaged or the Livestock which died.**

This policy insures You against the financial consequence of damage to Farm Property or death of Livestock. It does not insure You against the damage to Farm Property or the death of Livestock.

For example, if a cow dies, this policy will insure You for the Gross Income You would have received from the milk produced by the cow if it had not died. It does not insure You for the market price of the cow which died.

What We pay

We pay the amount shown on the Certificate of Insurance for 'Loss of Gross Income' or the amount resulting from application of the following formula, whichever is less.

A minus **B** minus **C**, where:

- **A** is the Gross Income which the Farm Business probably would have received if not for the damage to Farm Property or the death of Livestock which gave rise to the claim under this policy, not exceeding the sum insured for 'Loss of Gross Income' shown on the Certificate of Insurance; and
- **B** is the Gross Income which the Farm Business actually received after the damage to Farm Property or the death of Livestock which gave rise to the claim under this policy; and
- **C** is the amount of the costs the Farm Business did not incur, but that it probably would have incurred for the sole purpose of

earning Gross Income, if not for the damage to Farm Property or death of Livestock which gave rise to the claim under this policy. *For example, these costs include the cost of feed You might have bought and fed to Livestock if they had not died, for the purpose of earning income from the sale of milk.*

In calculating the Gross Income which the Farm Business probably would have received if not for the damage to Farm Property or the death of Livestock which gave rise to the claim under this policy, We will have regard to the experience of the Farm Business for a 12 month period leading up to the damage to Farm Property or death of Livestock (if the Farm Business has been operating for that amount of time).

If the Farm Business is conducted in discrete parts and the trading results for the part affected by the damage to Farm Property or the death of Livestock can be reasonably easily determined, the formula will apply separately to each part affected by the damage to Farm Property or the death of Livestock.

We also pay for:

- additional expenditure reasonably incurred by the Farm Business for the sole purpose of avoiding or diminishing the reduction in Gross Income as a result of the damage to Farm Property or the death of Livestock, but only up to the amount of the insured loss of Gross Income thereby avoided; and
- the reasonable cost charged by Your accountant to perform work to satisfy Us of the amount of the reduction in Gross Income, but only up to the sum insured for 'Accountant fees' shown on the Certificate of Insurance.

We only pay:

- a claim under this policy to the extent that You cannot claim the reduction in Gross Income under an additional benefit in Our Farm property damage policy
- the amount that would have been payable had You repaired, replaced or reinstated Farm Property or replaced Livestock within a reasonable period
- up to the sum insured for 'Loss of Gross Income' shown on the Certificate of Insurance as a consequence of all damage to Farm Property or death of Livestock during the Period of Insurance.

Additional benefits

Solar panels and wind turbines

If We have paid or agreed to pay a claim for damage to solar panels and wind turbines under Our Farm property damage policy in this Plan, We will also pay You for loss of income as a direct result of that damage to solar panels or wind turbines.

We will pay the amount of income or credit the Farm Business would have received for the kWh that would have been produced by the solar panels and wind turbines if not for the damage. The amount We pay will be calculated based on the average value per kWh that You were paid or credited in the last 30 days prior to the damage. We only pay this benefit if Your solar panels or wind turbines are insured under the Farm property damage policy and shown on Your Certificate of Insurance.

The most We will pay is \$5,000 during any one Period of Insurance.

Suppliers' and customers' premises

We treat damage to property in Australia at:

- Your suppliers' premises; or
- Your customers' premises,

as if it was damage to Farm Property at the Farm Premises.

We only pay a claim for this benefit if:

- 'Suppliers and customers premises' is shown on the Certificate of Insurance; and
- We would have paid a claim for the damage to the property if it had been insured under Our Farm property damage policy.

Special condition

Keeping records

You must keep and maintain proper records of the Farm Business.

If You are making a claim under this policy, You must give Us:

- access to the records of the Farm Business; and
- any information and help We may need in handling the claim.

Special definitions of words used in this policy

The definitions below apply only to this policy and override all other definitions including the 'General definitions applying to words We use in this Plan'.

Gross Income means the amount paid or payable to the Farm Business for:

- farm produce sold and delivered (after adjustments for opening and closing stocks)

- services rendered
- rent.

Livestock means an animal or bird You keep at the Farm Premises and use in connection with the Farm Business and which normally produces income for the Farm Business, other than by sale of the Livestock itself.

Some examples of Livestock which might normally produce income for the Farm Business other than by sale of the Livestock itself, are:

- *sheep if they normally produce a wool clip for the Farm Business; or*
- *cows if they normally produce milk for sale for the Farm Business.*

Credit and debit cards

If 'Contents' is shown on the Certificate of Insurance, We also insure You against the fraudulent use of Your credit or debit cards during the Period of Insurance by anyone other than You, a member of Your Family or a person who lives solely with You. This benefit only applies to such costs after the deduction of any government or council rebate that You are eligible for and it only applies if You decide to rebuild Your Home on the existing site and if You actually install the system within 2 years of the destruction of Your Home.

We only pay this benefit if 'Building' is shown on the Certificate of Insurance.

Guests' property

If You are living in Your Home and 'Contents' is shown on the Certificate of Insurance, this policy is extended to insure Your guests' property while it is in Your Home, but not cash or negotiable instruments.

We pay up to \$10,000 for Legal Costs, but only if We are satisfied there are reasonable prospects of success in the Legal Proceedings and that the Legal Costs You have incurred (or will incur) fighting the Legal Proceedings are reasonable having regard to the amount in dispute.

We only pay this benefit if 'Building' and 'Contents' are shown on the Certificate of Insurance and You:

- first become aware of the dispute giving rise to the Legal Proceedings during the Period of Insurance; and

- notify Us immediately of any potential claim and supply Us with enough information to enable Us to determine whether You have reasonable prospects of success; and

We will, for a period of 30 days from the date on which You start moving, insure the Contents at both addresses.

Contents in a commercial storage facility

This policy is extended to insure Your Contents other than cash, negotiable instruments or jewellery while being stored in a commercial storage facility if You notify Us and We agree to insure those Contents whilst stored in that facility and 'Contents in a commercial storage facility' is shown on the Certificate of Insurance.

The following additional benefit is included in the sum insured shown on the Certificate of Insurance for 'Building'.

- architects', surveyors' and legal fees
- demolition costs and the costs to clear debris from the site of the building being replaced or reinstated.

We only pay these costs under this additional benefit if:

- they are incurred as a consequence of the loss or damage for which We have agreed to pay a claim; and
- they are reasonable; and
- We have approved them before You incur them.

Inflation protection

We may automatically increase the sum insured shown on the Certificate of Insurance for 'Building' having regard to data in the Cordell Cost Guides when We:

- apply the sum insured relevant to a claim for a total loss; and
- offer renewal terms. We will base the renewal premium on any increased sum insured.

We will automatically increase the sum insured shown on the Certificate of Insurance for 'Contents' on the following basis:

- if there is a total loss, We multiply the proportion of the sum insured which the expired term of the Period of Insurance bears to 365 days by 4%
- when We offer renewal terms, We automatically increase the sum insured shown for 'Contents' by 4% if the Period of Insurance is for 365 days. Where Your policy is for less than 365 days, We only increase the sum insured every 365th day You are insured with Us under this policy or a renewed policy. We will base the renewal premium on the increased sum insured.
- You tell Us before the 90 days begin and We agree to continue to insure You under this policy; and
- You ensure that all gates, doors and windows are left securely locked.

Special conditions

Excess

You must pay the first \$500 as an excess for all claims for damage by earthquake arising during any one period of 72 consecutive hours following an earthquake.

Reinstatement of sum insured

If a sum insured is shown for an item on the Certificate of Insurance and We pay:

- less than that sum insured for a claim for that item, We reinstate that sum insured unless We told You when the claim was settled that the sum insured would only be reinstated if You paid an additional premium and accepted any additional conditions We required
- the amount of that sum insured for a claim for that item, the sum insured is not reinstated.

If We pay the sum insured for an item, We suggest You contact Us to discuss insuring the replacement item.

Unoccupied home

This policy does not provide any insurance if at the time the loss or damage occurs, Your Home is unoccupied and has been so unoccupied for at least 90 consecutive days before the loss or damage unless:

whichever is less.

Inflation protection

We may automatically increase the sum insured shown on the Certificate of Insurance for 'Building' having regard to data in the Cordell Cost Guides when We:

- apply the sum insured relevant to a claim for a total loss; and
- offer renewal terms. We will base the renewal premium on any increased sum insured.

We will automatically increase the sum insured shown on the Certificate of Insurance for 'Contents' on the following basis:

- if there is a total loss, We multiply the proportion of the sum insured which the expired term of the Period of Insurance bears to 365 days by 4%
- when We offer renewal terms, We automatically increase the sum insured shown for 'Contents' by 4% if the Period of Insurance is for 365 days. Where Your policy is for less than 365 days, We only increase the sum insured every 365th day You are insured with Us under this policy or a renewed policy. We will base the renewal premium on the increased sum insured.

Special conditions

Reinstatement of sum insured

If a sum insured is shown for an item on the Certificate of Insurance and We pay:

- the amount of that sum insured for a claim for that item, the sum insured is not reinstated.

If We pay the sum insured for an item, We suggest You contact Us to discuss insuring the replacement item.

What We pay

All events and all events of a series of related events consequent upon or attributable to one source or original cause will be regarded as one Occurrence.

We pay up to the 'Legal liability limit of indemnity' shown on the Certificate of Insurance for liability arising out of any one Occurrence or series of Occurrences. This includes Legal Costs You or a member of Your Family incur with Our consent.

This limit is the total amount We pay under this policy and any other policies We issue to You or a member of Your Family in this Plan even though You or that family member may be able to claim under those policies.

Additional benefit

Passenger liability

If You insure both Your Home and Contents with Us, We also insure You and the members of Your Family against legal liability to pay compensation for Personal Injury or Damage to Property which happens during the Period of Insurance directly caused by an Occurrence within Australia if the Personal Injury and Damage to Property is directly caused by You or a member of Your Family as a passenger in a vehicle.

This additional benefit does not insure any claim made by You or any member of Your Family against You or any member of Your Family, or by any agent, contractor or sub-contractor employed or engaged by You or any member of Your Family.

This additional benefit does not apply if the Person liable to pay compensation is required by law to be insured against that liability, or there is a statutory requirement or scheme which requires the insuring of an item of property.

Section 1: what You are insured for if Your Vehicle is damaged or stolen

Comprehensive cover

If Your Vehicle is Accidentally damaged or stolen in Australia during the Period of Insurance and 'Comprehensive' is shown on the Certificate of Insurance, We may at Our option:

- repair the damage or pay You the reasonable cost of repairs at the time of the damage; or
- if Your Vehicle is stolen or is a Total Loss and:
 - 'Private Use' and 'Agreed Value' are shown on the Certificate of Insurance, pay You the Agreed Value for Your Vehicle; or
 - 'Private Use' and 'Retail Cost' are shown on the Certificate of Insurance, pay You the Retail Cost; or
 - 'Business Use' or 'Farm Use' are shown on the Certificate of Insurance, pay You the lesser of the sum insured for Your Vehicle and Retail Cost.

If Your Vehicle:

- is stolen, Your Vehicle becomes Our vehicle upon Us paying You on the basis that Your Vehicle has been stolen;
- is a Total Loss, We are entitled to claim the wreck if We pay You:
 - the Retail Cost; or
 - the Agreed Value if 'Agreed Value' is shown on the Certificate of Insurance
- is a Total Loss, You are entitled to the wreck if We pay You the sum insured (if an amount is shown for the sum insured), but if the sum insured is less than the Retail Cost,

We deduct from what We pay the amount by which the sum insured plus the value of the wreck exceeds the Retail Cost;

- is stolen or is a Total Loss, all insurance ceases and You will not be entitled to any refund of premium. You will need to take out new insurance cover for Your replacement vehicle.

We regard Your Vehicle as stolen if it is not found within 2 weeks of Your reporting it as stolen to the police and the police have recorded it as so stolen.

Fire theft and legal liability and fire and theft only

If Your Vehicle is Accidentally damaged by fire, damaged by a thief or stolen in Australia during the Period of Insurance and 'Fire theft and legal liability' or 'Fire and theft only' are shown on the Certificate of Insurance, We may at Our option:

- repair the damage or pay You the reasonable cost of repairs at the time of the damage; or
- if Your Vehicle is stolen or is a Total Loss, pay You the lesser of the sum insured or Retail Cost.

If Your Vehicle:

- is stolen, Your Vehicle becomes Our vehicle upon Us paying You the sum insured or Retail Cost;
- is a Total Loss, You are entitled to the wreck if We pay You the sum insured (if an amount is shown for the sum insured), but if the sum insured is less than the Retail Cost, We deduct from what We pay the amount by which the sum insured plus the value of the wreck exceeds the Retail Cost;
- is a Total Loss, We are entitled to claim the wreck if We pay You the Retail Cost;
- is stolen or is a Total Loss, all insurance ceases and You will not be entitled to any refund of premium. You will need to take out new insurance cover for Your replacement vehicle.

We regard Your Vehicle as stolen if it is not found within 2 weeks of Your reporting it as stolen to the police and the police have recorded it as so stolen.

New vehicle

We replace Your Vehicle with a new vehicle of a similar make and model or at Our option, pay You what it would cost to do so if:

- Your Vehicle is stolen or is a Total Loss as a result of an insured event; and
- ‘Private Use’ and ‘Comprehensive’ are shown on the Certificate of Insurance; and
- at the time of the theft or of the damage causing the Total Loss Your Vehicle’s original registration was less than two years old and it was new or a demonstration model when You purchased it; and
- the odometer reading is 35,000 kilometres or less at the time of the theft or of the damage causing the Total Loss; and
- the Agreed Value (if ‘Agreed Value’ is shown on the Certificate of Insurance) is at least 80% of what it would cost to buy the new vehicle (excluding the cost of registration, stamp duty, transfer fees and insurance).

We regard Your Vehicle as stolen if it is not found within 2 weeks of Your reporting it as stolen to the police and the police have recorded it as so stolen.

If We pay You the cost of a new vehicle, We:

- calculate the amount We pay as if the vehicle is readily available locally; and
- do not include in the cost of the new vehicle registration, insurance or stamp duty.

If ‘Agreed Value’ is shown on the Certificate of Insurance and that Agreed Value is:

- more than what it would cost to buy the new vehicle; or
- less than 80% of what it would cost to buy the new vehicle,

then We will pay You the Agreed Value.

Please speak to Us if You want to insure tools which are not normally offered for sale with Your type of vehicle.

Our repair policy

We have established a network of partnered repairers. These repairers must meet Our stringent acceptance criteria which requires a high standard of repair and service.

When You use one of Our partnered repairers You do not need to shop around for quotes and We will guarantee the quality of the workmanship and materials used in the repair.

You may choose Your own repairer, but if You do, We may require You to provide two quotes for the repair of Your Vehicle, including one from a repairer of Our choice.

If Your Vehicle is at Your chosen repairer and We want to obtain an alternative quote for repairs, We may arrange to move Your Vehicle to another repairer at Our expense.

If We agree to repair Your Vehicle then We will use parts suitable for Your Vehicle’s age and condition, as follows:

- in most circumstances new Original Equipment Manufacture (OEM) approved parts will be used if Your Vehicle is under three years old
- new and/or reusable non-mechanical or reconditioned OEM parts may be used in the following circumstances:
 - Your Vehicle is over three years old; and
 - it does not affect the safety or the structural integrity of Your Vehicle; and
 - it complies with the applicable Australian Design Rules and Your Vehicle’s manufacturer’s specifications
- for Windscreens, We use parts which are compliant with Australian Design Rules.

If We have paid or agreed to pay a claim under this policy and any part for Your Vehicle is unavailable in Australia, Our liability for the cost of freighting that part to Australia will be limited to that arising from sea transportation only.

We will not pay an international air freight charge or an amount exceeding the manufacturer’s list price for any part, unless the charge or amount is incurred with Our prior consent.

If the repairer needs to engage the services of a specific specialist repairer and/or supplier that repairer may sublet some of the repair work to such specialist repairer or supplier.

If We authorise the repairs to Your Vehicle, We will guarantee the workmanship on the repairs authorised by Us for the life of Your Vehicle.

We will handle any complaint about the quality or timeliness of the work

or conduct of the repairer under ‘Our Complaints Handling Procedure’ contained within the ‘Important Information applying to all policies’ in this Plan.

AAA rating bonus

We give You ‘AAA’ rating when You have insured Your Vehicle with Us under a comprehensive cover for at least two consecutive years on a full no-claim bonus and You have not made a claim for theft or an Accident involving that vehicle or a replacement vehicle where You are at fault.

If You have ‘AAA’ rating for Your Vehicle, You keep Your entitlement to a no-claim bonus in connection with Your Vehicle if You make only one claim on this policy where You are at fault.

- costs You incur to obtain transport to Your home, to Your destination or to alternative accommodation; and

If Your Vehicle is stolen during the Period of Insurance, We pay up to \$1,000 towards the reasonable hire costs You incur for a temporary replacement vehicle of a similar type for up to 14 days or the date Your Vehicle is recovered in a useable and roadworthy condition, whichever is earlier. We do not pay for fuel, running costs or other charges.

Insurance of a hired or borrowed vehicle

If Your Vehicle is stolen or damaged and We have paid or agreed to pay a claim for it under this policy, We also insure a vehicle that You hire or borrow as a temporary replacement for up to 14 days from the date of the Accidental damage or theft, against Accidental damage or theft. We only pay a claim in respect of that vehicle if We would have paid a claim under this policy if it had been Your Vehicle.

We pay any claim on the same terms and conditions as We would for Your Vehicle, up to the:

- Agreed Value if 'Agreed Value' is shown on the Certificate of Insurance; or
- Retail Cost if 'Retail Cost' is shown on the Certificate of Insurance.

Personal property

We pay up to \$500 for Your personal property contained in the boot or cab of Your Vehicle if during the Period of Insurance it is:

- Accidentally damaged by fire, collision or overturning of Your Vehicle.

We do not pay for loss of or damage to:

- cash; or

We pay up to \$1,000 for damage or loss of a two-wheel box trailer You own if it is Accidentally damaged or stolen during the Period of Insurance while attached to Your Vehicle.

This benefit is otherwise subject to the terms of this policy.

Additional benefits – all uses with 'Comprehensive' cover

You have these additional benefits if 'Comprehensive' is shown on the Certificate of Insurance for Your Vehicle.

Emergency repairs and towing

If We have paid or agreed to pay a claim for damage to Your Vehicle, We also pay up to \$5,000 towards the reasonable cost You incur to have:

- Your Vehicle towed from the place at which it was damaged to the nearest safe or secure place or any other place that We have approved; and
- emergency repairs carried out on Your Vehicle to make it safe and roadworthy,

as a result of that damage.

General average/salvage costs

This policy is extended to insure You for general average or salvage which You are charged for a loss occurring during the Period of Insurance in relation to a ship transporting Your Vehicle by sea within Australian territorial waters.

No fault bonus

You do not have to pay an excess on a claim and You do not lose Your no-claim bonus if Your Vehicle is Accidentally damaged and in Our opinion the driver of Your Vehicle was not at fault and You provide Us with the registration number of the other vehicle and the name and contact details of its owner or driver.

Recovery costs

If Your Vehicle is stolen during the Period of Insurance and recovered within two weeks of it being stolen, We pay up to \$500 towards the cost of returning Your Vehicle to the place where You usually keep it.

Replacement keys and locks

If during the Period of Insurance:

- a key to Your Vehicle is stolen; or
- a lock barrel of Your Vehicle is damaged by someone in the course of them stealing or attempting to steal Your Vehicle,

We pay up to \$1,000 towards the reasonable cost You incur to replace a damaged key and lock barrel.

Signwriting costs

If Your Vehicle is:

- stolen and We have paid or agreed to pay a claim for it under this policy, We pay up to \$2,000 towards the cost You reasonably incur to apply signwriting to Your replacement vehicle to the same specification as any signwriting as originally on Your Vehicle
- damaged and We have paid or agreed to pay a claim for the damage under this policy, We pay up to \$2,000 towards the cost You reasonably incur to redo any signwriting on Your Vehicle which was damaged.

Windscreen bonus

You do not lose Your no-claim bonus for a broken Windscreen claim if:

- the Windscreen was broken by Accident; and
- the broken Windscreen is the only damage to Your Vehicle arising out of the Accident; and
- this is Your first claim for a Windscreen damaged during the Period of Insurance.

Where damage occurs that includes damage to Windscreen rain sensors or heaters which require replacement or recalibration, then damage to Windscreen is not the only damage and the Windscreen bonus does not apply.

Optional benefits for Private Use with 'Comprehensive' cover

Named drivers only

Depending on Your circumstances, We may offer to reduce Your premium if You take reduced insurance cover for Accidental damage to Your Vehicle as described in this benefit. You only have this benefit if We offer You this benefit and You accept Our offer.

If 'Named drivers only' is shown on the Certificate of Insurance, You are not insured for Accidental damage to Your Vehicle unless the person who was driving or in charge of Your Vehicle when the damage occurred:

- is named on the Certificate of Insurance as a 'Regular driver' or 'Additional driver' of Your Vehicle
- was not at fault
- was driving Your Vehicle to seek emergency medical treatment for a person in Your Vehicle
- was driving Your Vehicle in their capacity as a car park attendant
- was driving Your Vehicle in connection with repairing, servicing or testing it for reward.

This benefit is otherwise subject to the terms of this policy.

No claim bonus protection

If 'No-claim bonus protection' is shown on the Certificate of Insurance, You retain Your entitlement to a no-claim bonus in connection with Your Vehicle if You make only one claim on this policy where You are at fault.

You are only entitled to this benefit if:

- Your 'no-claim bonus' is at least 60% and You do not yet have AAA rating bonus; and
- You pay Us the premium We require for this benefit.

Optional benefit for 'Comprehensive' cover - all uses

Hire car benefit

If 'Hire Car Benefit' is shown on the Certificate of Insurance and during the Period of Insurance Your Vehicle becomes unusable as a result of Accidental damage, We will pay up to \$500 towards the cost to hire a vehicle of a similar type for the earlier

of 14 days from the time Your Vehicle becomes unusable, or until Your Vehicle is repaired. We do not pay for fuel, running costs or other charges.

Caravan annexe and contents

You are insured against damage to:

- Your caravan annexe if 'Annexe' is shown on the Certificate of Insurance
- Your Caravan Contents if 'Contents' is shown on the Certificate of Insurance.

You are only insured if the damage is directly caused by:

- fire, explosion, lightning, earthquake, riot or civil commotion, vandalism or thieves
- collision or overturning of the hauling vehicle or caravan,

that occurs in Australia during the Period of Insurance.

If 'Contents' is shown on the Certificate of Insurance You are also insured for theft of Your Caravan Contents from within Your caravan during the Period of Insurance following forcible entry to it.

For damage to or theft of Your Caravan Contents, We pay the amount shown in the third column for the type of contents shown in the first column of the table in Our Standard home policy on pages 61 to 64 of this Plan.

We pay up to the sum insured shown on the Certificate of Insurance for:

- 'Annexe' for damage to Your caravan annexe
- 'Contents' for damage to or theft of Your Caravan Contents.

Section 2: the insurance for legal liability

If 'Comprehensive', or 'Fire theft and legal liability', or 'Legal liability' are shown on the Certificate of Insurance, this policy insures You, and anyone driving or in charge of Your Vehicle with Your permission, against legal liability to pay compensation for Personal Injury or Damage to Property which:

- happens in Australia during the Period of Insurance; and
- is directly caused by, or by the use of, Your Vehicle; and
- arises out of an Occurrence.

What is not insured for legal liability

This policy does not insure You against liability:

1 for Personal Injury to:

- You or any member of Your Family or a person driving or in charge of Your Vehicle or any relative of that person
- a person living permanently with a person insured by this policy
- an Employee, or a worker, agent, contractor or subcontractor employed or engaged by any Person insured by this policy.

2 for Damage to Property, Personal Injury or a cost incurred by or on behalf of a government authority in a clean-up, directly or indirectly caused by or arising out of:

- the transport of Dangerous Goods in a Placard Load or on any vehicle or in or on any vehicle attached to or towing any vehicle from one place to another
- the loading or unloading of Dangerous Goods in a Placard Load

3 for Damage to Property or Personal Injury directly or indirectly caused by or arising out of:

- the weight of Your Vehicle and its load exceeding any lawful requirements or advisory or warning signs
- tunnelling, underpinning, vibration or interference with the support of land, buildings or property.

4 for loss of or damage to underground services or underground property unless, when the loss or damage occurred, the person who caused the loss or damage:

- could readily see the underground service or underground property; or
- could not readily see the underground service or underground property and was not aware (and could not reasonably have been aware) of the exact location of the underground service or underground property.

For example, Telstra advise that they are a member of the 'Dial Before You Dig' service which enables people to find out about various underground services in the area in which they intend to dig. We will rely on this exclusion if You damage a Telstra or other underground service without having utilised the 'Dial Before You Dig' service to check the location of the underground services.

5 for Personal Injury if Your Vehicle is registered or the Person making the claim on this policy is required by law to be insured against that liability under another policy of insurance

6 arising pursuant to or in connection with an agreement in which You expressly take on a legal liability which would not have been imposed if the agreement had not been made

7 for loss of or damage to property belonging to a Person insured under this policy

8 for loss of or damage to the load or contents of:

- Your Vehicle
- any vehicle towed by Your Vehicle

9 for loss or damage to, or directly or indirectly caused by or arising out of, the use of, a trailer if, at the time of the loss or damage, the trailer is:

- connected to Your Vehicle and is in Your custody, care or control; and
- not owned by You,

unless 'Non-owned trailer liability' is shown on the Certificate of Insurance.

What We pay for legal liability

We pay up to the limit of indemnity shown on the Certificate of Insurance as the 'Legal liability limit'. We pay up to this amount for all claims (including all costs and expenses) arising from the one Occurrence or series of Occurrences.

Other policies

The limits described are the maximum We pay under this policy and under any other policies We issue to You in this Plan even though You may have a claim under another policy.

Additional benefits for legal liability

Damage to Your Vehicle by an uninsured vehicle

If Your Vehicle is involved in a collision with another vehicle during the Period of Insurance, We will pay for the following up to an aggregate total amount of \$5,000:

- for the repair of damage to Your Vehicle if it is not a Total Loss
- where Your Vehicle is a Total Loss, provided We are entitled to claim the wreck and any payment does not exceed the Retail Cost where this amount is less than \$5,000
- the cost of towing Your Vehicle to the nearest safe or secure place.

We will only pay this additional benefit for legal liability if:

- 'Fire theft and legal liability' or 'Legal liability' together with 'Private Use' are shown on the Certificate of Insurance for Your Vehicle; and
- in Our opinion, the driver of Your Vehicle was not to blame for the collision and You supply Us with the registration number of the other vehicle and the name and address of its owner or driver; and
- neither the owner nor the driver of the other vehicle is insured against their liability for the damage to Your Vehicle.

Other vehicles

We treat a vehicle You do not own but which is in Your legal possession, custody or control as Your Vehicle if You are using it as a temporary replacement for Your Vehicle because Your Vehicle is not in a useable condition at the time.

You have this additional benefit for legal liability if only one temporary replacement vehicle is being used at any one time in place of Your Vehicle.

Your employer or principal

This policy is extended to insure Your employer or principal against their legal liability directly caused by Your use of Your Vehicle for their business. You do not have this benefit if Your Vehicle belongs to Your employer or principal.

We only pay this benefit if We agree to indemnify You against Your legal liability incurred while You are using Your Vehicle for their business.

This benefit is otherwise subject to the terms of this policy.

Special conditions which apply to sections 1 and 2 of this policy – excesses

The excesses below apply to sections 1 and 2 of this policy.

If more than one of these excesses is applicable, then You must pay all of them and also any other applicable excess shown on the Certificate of Insurance.

Excesses for young, inexperienced and other drivers

This excess is in addition to the other excesses described in this special condition.

In calculating Your premium, We take into account the age and experience of the people who will be driving, operating and in charge of Your Vehicle.

The amount of this excess is shown on the Certificate of Insurance as the 'Driver excess'. A driver excess is payable if at the time of the loss or damage or Occurrence the person driving or operating or in charge of Your Vehicle, or driving or operating or in charge of a vehicle towing Your caravan or trailer:

- is:
 - under 19 years of age
 - 19 - 20 years of age
 - 21 - 24 years of age
 - 25 years of age or more but has not held an Australian driver's licence for two or more years for the type of vehicle being driven at the time of the event.
- has held a licence for less than two consecutive years following re-issue or reinstatement of a driving licence after its cancellation or suspension.

You do not have to pay a 'Driver excess' if:

- Your Vehicle is stolen or damaged as a result of theft or attempted theft by anyone other than a member of Your Family
- You are entitled to the additional benefit 'No fault bonus' described on page 81
- Your claim is only for damage to a Windscreen

- Your claim is only for additional benefit 'Damage to Your Vehicle by an uninsured vehicle' described on page 83.

Vehicle excess

The amount of this excess is shown as a 'Vehicle excess' on the Certificate of Insurance. It is payable on a claim in connection with the vehicle insured by this policy or any vehicle being used temporarily as a replacement for it.

You do not have to pay the vehicle excess if:

- You are entitled to the additional benefit 'No fault bonus' described on page 81
- it relates to a claim for the additional benefit 'Damage to Your Vehicle by an uninsured vehicle' described on page 83
- the claim against You is for damage to an underground service or underground property or loss as a result of the damage and You are not claiming for damage to Your Vehicle.

Tipping excess

This excess is in addition to the other excesses described in these special conditions and regardless of whether it is mentioned on the Certificate of Insurance.

If Your Vehicle has tipping mechanisms and damage occurs or liability is incurred which is covered by this policy whilst the tipping mechanism is being operated and was fully or partially elevated, then all excesses applicable are doubled in monetary amount.

Underground excess

If 'Underground excess' is shown on the Certificate of Insurance, You must pay that excess for any claim arising out of or in connection with loss of or damage to an underground service or underground property or any losses as a result of loss of or damage to an underground service or underground property.

Vehicles exceeding 10 tonne

If 'Business Use' is shown on the Certificate of Insurance and Your Vehicle is a prime mover or a truck with a carrying capacity of more than 10 tonne then all excesses applicable are doubled in monetary amount for claims for the theft of Your Vehicle or damage to Your Vehicle when that theft is from, or the damage occurs at, a location outside the 'Radius of Operations' shown on the Certificate of Insurance and measured from the location shown on the Certificate of Insurance.

What We pay if Your Boat is damaged or stolen

If Your Boat is damaged or stolen, We may at Our option:

- repair or replace it; or
- pay You the reasonable cost to repair or replace it at the time of the damage or theft.

We pay up to the Retail Cost as New or the sum insured shown on the Certificate of Insurance, whichever is less.

We also pay You up to 50% of the sum insured for the hull for the total of:

- any expense You reasonably incur to avoid or limit a loss, damage or Salvage Charges; and
- Salvage Charges You incur.

We do not pay for an international freight charge or an amount exceeding the manufacturer's list price for a part unless the charge or price is incurred with Our consent.

Total loss

If We consider Your Boat is a total loss, We pay:

- the Retail Cost as New if it is less than 3 years old from the date of manufacture and the sum insured shown on the Certificate of Insurance is at least 80% of the Retail Cost as New; or
- the Retail Cost or the sum insured shown on the Certificate of Insurance if Your Boat is 3 years or older from the date of manufacture, whichever is less.

We are entitled to claim the wreck if We pay at least the Retail Cost.

We regard Your Boat as a total loss if the cost of repairs plus salvage value equals or exceeds the sum insured or Retail Cost or it is not found within 2 weeks of Your reporting it as stolen to the police.

When You are deciding on a sum insured for the hull, remember that it needs to be enough to cover the permanent attachments to the hull.

Additional benefits

Automatic cover for a replacement boat

- You buy the replacement boat within 30 days of selling or disposing of Your Boat; and

If more than one type of injury is caused by an Accident, We pay only for the one that gives the highest benefit.

Any benefit paid for items 1-23 is reduced by any benefit paid for items 25 or 26 (and vice versa) if the benefits are all payable as a result of the one Accident.

We do not pay more than the 'Capital sum insured' shown on the Certificate of Insurance for the total of all Accidents and illness occurring during the Period of Insurance.

The following applies in relation to payments under items 25, 26 and 27:

- We will not pay a benefit for more than one of items 25, 26 and 27 at the one time; and
- We do not pay a benefit for more than the number of weeks shown as the 'Compensation period' on the Certificate of Insurance; and
- All compensation will be paid fortnightly in arrears; and
- Compensation paid for a period of less than one week will be paid at a rate of 1/7th of the applicable percentage of the weekly sum insured for each day; and
- Compensation paid is limited to the lesser of Your Earnings or the 'Weekly sum insured' shown on the Certificate of Insurance shown on the Certificate of Insurance; and
- We do not pay a benefit if You have suffered no loss of Earnings; and
- If You receive or are entitled to receive Earnings from any other

employment or occupation then any amount We have to pay of the 'Weekly sum insured' shown on the Certificate of Insurance will be reduced by the amount you receive from the weekly earnings from that other employment or occupation; and

- We do not pay a benefit when You are on unpaid leave or maternity leave; and
- Any payments will cease when the total inability or partial inability to attend to Your usual profession, business or occupation ceases; and
- Any payments will cease on the date You die; and
