

WFI Workers' Compensation Injury Management Training for Employers

Ineffective injury management can cost businesses in terms of productivity and workers' compensation claims. Insurance Australia Limited trading as WFI (WFI) are committed to helping employers reduce time lost injuries and workers' compensation costs by increasing their knowledge and skills in injury and return to work management.

As part of this commitment WFI offer an employer training package designed to increase the knowledge and skills of employers to effectively manage workplace injury and return to work programs in their workplace.

What topics are covered?

- Overview of Workers' Compensation in WA
- Employer's legal obligations in Injury Management
- Identifying suitable duties
- Return to Work Programs
- Person centered injury management
- Dispute resolution and settlement process
